Lesson Plan

Activity Ideas	To-Do List
- Engage children in a fun cooking session where they can prepare nutritious snacks or meals together. This hands-on experience can help them learn about healthy ingredients and how to make delicious food choices. - Organize a Food-themed scavenger hunt where kids search for different fruits, vegetables, and other nutritious items around the house or in the backyard. This activity can make learning about healthy eating interactive and exciting. - Create a "colorful plate" activity where children have to assemble a meal using a variety of colorful fruits and vegetables.
