The Title of the Paper Capitalized and Centered

First Level Heading

Unless required in the instructions, the headers should be used only in five-or-more-page papers. The introduction of an essay should end with a strong, debatable thesis statement and approximately take 10% of the required word count. Please note that student's information, title, headers, and Works Cited page are not counted towards the required word count.

The first sentence of a paragraph is always a topic sentence. It states the main idea or argument presented in the paragraph. Topic sentence should be followed by supporting information from the reliable and up-to-date sources. Avoid plagiarism using direct and indirect citations followed by an in-text citation mentioning an author's surname and a page number (Pears and Graham 1). In case a web publication contains no pagination, use an author's surname or a name of a source followed by "no page" shortening (Research Guides n.p.). Please note that a long name of a source is to be shortened in the in-text citation. Do not leave a paragraph with a citation at the end. Every paragraph should end with a transition sentence serving as a bridge between two adjacent paragraphs.

Second Level Heading

Use second level heading to specify the subpoints contributing to the topic of the previous header. No paragraph indentation is required in such a case. Please note that one paragraph

English for Writing Research Papers Adrian Wallwork, 2016-03-02 Publishing your research in an international journal is key to your success in academia This guide is based on a study of over 1000 manuscripts and reviewers reports revealing why papers written by non native researchers are

often rejected due to problems with English usage and poor structure and content. With easy to follow rules and tips and examples taken from published and unpublished papers you will learn how to prepare and structure a manuscript, increase readability and reduce the number of mistakes you make in English by writing concisely with no redundancy and no ambiguity, write a title and an abstract that will attract attention and be read, decide what to include in the various parts of the paper, Introduction, Methodology, Discussion, etc., highlight your claims and contribution, avoid plagiarism, discuss the limitations of your research, choose the correct tenses and style, satisfy the requirements of editors and reviewers. This new edition contains over 40% new material including two new chapters: stimulating factoids and discussion points both for self study and in class use. EAP teachers will find this book to be a great source of tips for training students and for preparing both instructive and entertaining lessons. Other books in the series cover presentations at international conferences, academic correspondence, English grammar usage and style, interacting on campus, plus exercise books and a teacher's guide to the whole series. Please visit <http://www.springer.com/series/13913> for a full list of titles in the series. Adrian Wallwork is the author of more than 30 ELT and EAP textbooks. He has trained several thousand PhD students and academics from 35 countries to write research papers, prepare presentations and communicate with editors, referees and fellow researchers.

A Systematic Guide to Write a Research Paper, **Writing a Research Paper in Political Science** Lisa A. Baglione, 2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience. Crafting the right research question, finding good sources, properly summarizing them, operationalizing concepts and designing good tests for their hypotheses, presenting and analyzing quantitative as well as qualitative data are all tough going without a great deal of guidance and encouragement. *Writing a Research Paper in Political Science* breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished. Practical summaries, recipes for success, worksheets, exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course. New to the Fourth Edition, a non causal research paper woven throughout the text offers explicit advice to guide students through the research and writing process. Updated and more detailed discussions of plagiarism, paraphrases, drop ins and transcripts help to prevent students from misusing

sources in a constantly changing digital age A more detailed discussion of fake news and disinformation shows students how to evaluate and choose high quality sources as well as how to protect oneself from being fooled by bad sources Additional guidance for writing abstracts and creating presentations helps students to understand the logic behind abstracts and prepares students for presentations in the classroom at a conference and beyond A greater emphasis on the value of qualitative research provides students with additional instruction on how to do it
