

a. As per the guidelines provided by the Australian Competition and Consumer commission, an organization shall be regarded to create a false and misleading impression if it makes statements that are incorrect and could lead to creation of a false impression (Australian Competition and Consumer Commission, n.d.a). This rule is applicable to packaging of products, advertisements and any other comments made by the organization in any form of media including online platforms such as social media platforms, websites and Web Pages. The intention of the business in misleading the public is not relevant. If any statement, comment or representation made by the business creates a misleading impression, it shall be regarded as creating a misleading impression even if the statement, comment or misrepresentation was not made intentionally.

b. The Australian Competition and Consumer commission has defined that all Products and services sold or given on hire or lease that have a value below \$ 40000 must be guaranteed by the business. In case of those products which are usually acquired for personal use or household use and have a value over \$40000 must also be guaranteed by businesses. Further, all trailers and vehicles used for transportation of goods are also guaranteed, irrespective of their cost (Australian Competition and Consumer Commission, n.d. b).

Call Center Interview Questions and Answers - English Navneet Singh, Preparing for a call centre interview involves understanding the key skills and attributes employers look for such as communication problem solving and customer service abilities Here are some common call centre interview questions and example answers to help you prepare 1

Can you tell me a little about yourself Answer I have over three years of experience working in customer service with the last two years in a call centre environment I m skilled in handling high call volumes resolving customer issues efficiently and providing exceptional service My background in communication studies has equipped me with the ability to communicate clearly and effectively I thrive in fast paced environments and enjoy working as part of a team to meet and exceed customer expectations 2 How do you handle a high volume of calls while maintaining quality customer service Answer I prioritize organization and time management to handle high call volumes I make sure to stay focused and follow a structured approach to each call which helps me resolve issues efficiently without sacrificing quality Additionally I use active listening and effective communication to quickly understand the customer s needs and provide accurate solutions Taking brief notes during calls also helps me keep track of important details and ensure that each customer receives personalized service 3 Describe a time when you had to deal with a difficult customer How did you handle the situation Answer Once I had a customer who was very upset about a billing error I remained calm and listened to their concerns without interrupting After understanding the issue I apologized for the inconvenience and assured them that I would resolve the problem promptly I reviewed their account identified the error and corrected it while keeping the customer informed throughout the process I also offered a small discount on their next bill as a gesture of goodwill The customer appreciated my patience and the resolution and their frustration was alleviated 4 What steps do you take to ensure customer information is kept confidential Answer Customer confidentiality is a top priority I adhere to the company s privacy policies and protocols such as verifying customer identities before discussing account details and ensuring that all sensitive information is entered into secure systems I also avoid discussing confidential information in public areas and make sure to log out of systems and lock my computer when not in use Additionally I stay updated on data protection regulations to ensure compliance 5 How do you stay motivated during repetitive tasks Answer I stay motivated by focusing on the impact of my work and setting small achievable goals throughout my shift Helping customers and resolving their issues gives me a sense of accomplishment and purpose I also take short breaks when possible to recharge and keep my energy levels up Additionally I find that staying engaged with my team and participating in any available training or professional development opportunities helps to keep things fresh and interesting 6 Can you give an example of a time when you exceeded a customer s expectations Answer A customer once called in with a complex issue regarding a product malfunction just days before a major holiday Understanding their urgency I expedited the troubleshooting process and arranged for a replacement product to be shipped overnight I also followed up with the customer to ensure they received the new product on time and were satisfied with the solution The customer was extremely grateful and expressed their appreciation for going above and beyond to resolve the issue quickly 7 How do you handle stress and pressure in a call centre environment Answer I manage stress and pressure by staying organized and maintaining a positive attitude I prioritize tasks and use time management techniques to keep my workflow steady When

faced with stressful situations I take deep breaths and focus on one task at a time to avoid feeling overwhelmed I also find it helpful to debrief with colleagues or supervisors if I need support Outside of work I practice stress relief activities such as exercise and mindfulness to stay balanced

8 Why do you want to work in our call centre Answer I am impressed by your company s commitment to customer service excellence and the supportive work culture you promote I appreciate the opportunities for professional growth and development that your call centre offers I believe my skills and experience align well with the job requirements and I am excited about the possibility of contributing to a team that values high quality service and continuous improvement

9 How do you handle multiple tasks simultaneously such as answering calls while updating the CRM system Answer Handling multiple tasks simultaneously requires effective multitasking and attention to detail I use dual monitors and efficient keyboard shortcuts to manage tasks quickly I stay focused on the call while taking concise notes and updating the CRM system in real time Prioritizing tasks and maintaining a structured workflow help me manage multiple responsibilities without compromising on quality or accuracy

10 What do you think are the most important qualities for a call centre representative Answer I believe the most important qualities for a call centre representative are excellent communication skills empathy and patience Clear and effective communication helps resolve issues efficiently Empathy allows us to understand and address customer concerns genuinely while patience ensures we remain calm and supportive even with difficult customers Additionally problem solving skills and a positive attitude are crucial for handling a variety of situations and providing outstanding customer service
