International Television & Video Almanac ,1989 **A Month of Mondays** Robert Michael,2013-05-01 Jake Monday hates Mondays more than any other day of the week This Monday may just be the beginning of his new life He is haunted by his loss of memory He is targeted by the company he betrayed Most men would run Jake goes straight into the maw of the dragon A Month of Mondays opens a new chapter in the life of Jake Monday the vaunted assassin of the Galbraith Alliance Jake meets friends he forgot he had and enemies he thought were friends When Jake finally confronts his past he learns that perhaps he was not the man he thought he was Jake questions his own motives Why was he on that lawn prepared to kill the most powerful man on earth And who would have benefited most if he had succeeded FROM THE AUTHOR A Month of Mondays is the second installment of a 7 part series of novellas The Jake Monday Chronicles will also be included in two volumes of collected works The Monday Collection Volumes One and Volume Two So whether you enjoy your series one installment at a time or you like to read a longer work we have you covered The Monday Collection Volume One contains Manic Monday A Month of Mondays and Thank God it s Monday All these installments are also available to purchase separately if you wish The Monday Collection Volume Two will be released in the fourth quarter of 2014 and will include the final four parts of the Jake Monday saga Rainy Days and Monday March 2014 Can t Wait for Monday May 2014 Mad Mad Monday July 2014 and Monday Bloody Monday September 2014 I get the question from time to time what inspired you to write this story With Jake Monday my inspiration came from a multitude of sources Authors like Ludlum LeCarre Fleming and Follet come to mind Also I enjoy watching series on television Alias Heroes Lost Supernatural The X Files and Hannibal All of these have elements that influenced my writing The Jake Monday Chronicles began in 2003 when I wrote a short story about

an assassin named Jake Monday I had no plans really but I had a sentence running through my head The sentence that launched this series began Jake Monday hated Mondays more than any other day of the week The idea that a high profile assassin would be unhappy unsatisfied and struggling with his past and future is not unique I wanted to explore new areas of this theme I thought of family of a past hidden of the moral challenge of an individual that finds himself caught in a massive global conspiracy while grappling with the choices he has made willingly or not So Jake Monday is my Jason Bourne Hallie is my Sidney Bristow from Alias My villains well they are all my own I love to draw villains who are deep believable and scary Not because they always represent the antithesis of the hero but just the opposite my villains are not much different than all of us I do not believe in grey areas but I do believe the line between good and evil can be narrow One wrong move and even someone like Jake Monday can be heading in the wrong direction **Quill & Quire** ,2002 **TV Guide** ,2006 **Cue** ,1976
