goal of calming the raging volcano they learn that strength alone isn't enough to get things done Friendship and Page 9 of 40 being ready to make sacrifices for the good of others are also especially important From the edge of disaster to the start of a new era Ember's story turns into a legend that inspires everyone in the world This story shows how important it is to work together be brave and always be positive This description takes place in a fictional world where the impossible becomes possible and Ember a fiery unicorn becomes the hero of not only her own story but also the story of an entire planet It tells a story of change adventure and the unbreakable bond between friends Page 10 of 40 Chapter 1 Charred Lands and Flame A huge empty plain lay in a mysterious area far away hidden by tall mountains and thick woods A big dormant volcano lay beneath the top of this plain making it one of a kind Ember the horse that was on fire lived here in the gray and black volcanic ash that covered the whole area Ember wasn't like other unicorns It was stunning to see with its beautiful hair on fire and moving like it was dancing in the wind Its feet sparkled like diamonds as it ran across the ground leaving a light trail behind them The volcano had been dormant for thousands of years but now it was Ember's home and a peaceful place to relax There was a golden glow around Ember every morning when he woke up as the sun was rising Ember's fiery mane would catch the first rays of sunlight making a beautiful show of brightness that stood out against the dark surroundings Then Ember would start its day by racing over the well worn paths it knew paths that wound around rocky outcroppings that looked like the spines of a huge sleeping animal and around large fields of ash Because of the warmth coming from deep in the ground life grew even though the area looked empty There were patches of bright red grass all over the fields making for an interesting and beautiful scene This grass which was as red as Ember's flames was eaten by it It happily grazed loving the warm ground under its hooves The constant warmth of this place was a gentle reminder of how strong that person really was Ember had a calm life She spent her days thinking about herself and quietly looking into things Ember liked finding new places in the large ash fields and she would sometimes go near the edge where the ash gave way to the solid hard rock of the volcano's shell From these spots Ember could see the land around her the woods that surrounded the white fields and the mountains that rose high into the sky The volcano was a scary silent monster Its rumblings were a memory and its explosions were a dream Ember had heard stories about how the volcano exploded and sent ash and flames into the sky The stories were whispered through the ash by the wind But that was a long time ago In the harsh land around it the volcano was a safe place to stay warm and a steady presence Ember's life was simple but full of happiness There was a wide open sky above warm ground to rest on bright red grass to eat and nothing else It seemed like its days had a natural flow like the beat of its heart Ember didn't know it but her peaceful life was about to change When Ember's new story was about to start the volcano that had been keeping her safe in silence moved Ashen regions were not the only places Ember would be going to on this exciting trip It would take it into new areas and to a future it could never have imagined As the days went by Ember noticed a small change in the mood that made her think of something that was about to happen The ground under its feet which had

been warm before became hotter all of a sudden and the air was filled with excitement Ember felt something stirring inside her like a spark of joy that meant something new was about to start but she had no idea what it was So with its bright main light shining against the gray background Ember kept traveling the empty fields not knowing **The Ember Crown** Bright Mills,2025-08-05 As betrayal looms and time runs out Liora must decide will she claim her rightful throne or destroy the very destiny others seek to control **Born to Create** Dr. Tiffany Tajiri,2023-11-08 Born to Create takes us on the Hero s journey of our life demanding that we have the courage to let go of the known in exchange for a fantastic future that exceeds our wildest imagination The journey ends when we ve become awakened to a new way of life wherein truth and love preside With foundations in psychology and neuroscience Born to Create dares us to undergo deep self introspection and consequent transformation to embrace our perfect self expression for our divine design You will embark upon the Hero s journey with characters we know and love as we psychologically examine their trials and triumphs alongside our own This book will teach you about the incredible power of your mind the importance of brain and heart coherence and how to harness the laws of the universe to CREATE the life of your dreams The Taylor Anecdote Book Thomas Bangs Thorpe,1848
