

Call to Worship

Grace and peace to you in Jesus, who laments that we
know not what makes for peace,

And also with you.

Living God, today we gather not so much to sing to you,
but to cry to you,

Oh Lord, hear the cries of our beloved country.

We gather in grief to confess that we have brought wrath
upon our ourselves,

We confess that we have stubbornly ignored your warnings.

We have refused to listen to your prophets who instructed us to
do justice, love mercy and walk humbly.

**Some of them we beat – others we killed – some died in
police vans and others in solitary cells.**

Living God, we have studied your word,

But we have failed to act on your word.

You have told us to prioritise the poor

But we have chosen instead to glorify the rich.

You told us to hunger and thirst for justice,

But we hunger and thirst for more and more stuff.

And now we hunger and thirst for peace and calm,

And now we fear it may be our time to hunger and thirst.

Have mercy on us O God that we may learn from this moment,

May our tears water our country's conscience.

By your spirit convict us to change,

Wake us up from our sinful slumber,

That wrath may be transformed into grace,

Amazing grace that saves us from our wretchedness,

And slaves of poverty go free,

So, all of us can be free.

Amen.

Kingdom to Commune Patricia Appelbaum, 2009-03-01 American religious pacifism is usually explained in terms of its practitioners ethical and philosophical commitments Patricia Appelbaum argues that Protestant pacifism which constituted the religious center of the large scale peace movement in the United States after World War I is best understood as a culture that

developed dynamically in the broader context of American religious historical and social currents Exploring piety practice and material religion Appelbaum describes a surprisingly complex culture of Protestant pacifism expressed through social networks iconography vernacular theology individual spiritual practice storytelling identity rituals and cooperative living Between World War I and the Vietnam War she contends a paradigm shift took place in the Protestant pacifist movement Pacifism moved from a mainstream position to a sectarian and marginal one from an embrace of modernity to skepticism about it and from a Christian center to a purely pacifist one with an informal flexible theology The book begins and ends with biographical profiles of two very different pacifists Harold Gray and Marjorie Swann Their stories distill the changing religious culture of American pacifism revealed in Kingdom to Commune A Primer for the Visiting Organist Carol Doran, David Eicher, Don Saliers, Paul Westermeyer, 2007 **Through the Open Doors of the First Congregational Church, Wakefield, New Hampshire** Marjorie G.
