

LIZARDFOLK POISON DUSK

This reptilian humanoid seems to melt out of the shadows of the jungle. It is about three feet tall, and it has a lean, wiry build. It has large eyes that reflect the light and a slight crest that runs down the back of its head. It hisses at you, revealing sharp teeth.

While smaller than their lizardfolk cousins, the poison dusk lizardfolk are just as dangerous when provoked.

A poison dusk lizardfolk is between 3 to 4 feet in height, weighing 42–52 pounds. Its tail is 2 to 3 feet long, and its scales shift color with its mood. The eyes of a poison dusk lizardfolk are larger than those of the other species, and males have a crest running down the back of the head that can lie flat or extend based on mood.

Poison dusk lizardfolk speak Draconic. A lizardfolk with an Intelligence score of 12 or greater will also speak Common.

Most poison dusks encountered in the wild are rangers; exceptional individuals usually become adepts and sorcerers serving dragons.

COMBAT

Poison dusks are far more cunning than the other species of lizardfolk. They prefer to avoid physical combat altogether if possible; when striking against a human village, they will often try to poison the water or food supply instead of launching a direct assault. When they do fight, they favor ambushes and clever traps. Bolas and nets are considered to be martial weapons for poison dusks, and they often use these tools to handicap larger foes while archers strike with poisoned arrows.

Poison Use: Due to their long tradition of working with venoms, poison dusks are never at risk when applying poisons to weapons. Common poisons include black adder venom and blue whinnits.

Chameleon Skin (Ex): Poison dusks can adjust the colors of their scales to blend in with their surroundings. When it is not wearing armor, robes or other covering clothing, a poison dusk lizardfolk gains a +5 racial bonus on Hide checks.

Hold Breath (Ex): A poison dusk lizardfolk can hold its breath for a number of rounds equal to 4 × its Constitution score before it risks drowning (see page 304 of the *Dungeon Master's Guide*).

Skills: Because of their tails, lizardfolk have a +4 racial bonus on Jump, Swim, and Balance checks. The skill modifiers given in the statistics block include a –1 armor check penalty (–2 on Swim checks) for carrying a buckler.

Poison dusk lizardfolk

The poison dusk ranger presented here had the following ability scores before racial adjustments: Str 12, Dex 13, Con 10, Int 8, Wis 11, Cha 9.

POISON DUSK LIEUTENANT

Poison dusk lizardfolk who advance their skills earn the respect of the tribe and act as leaders, first of squads and patrols and eventually of the community.

The poison dusk lieutenant presented here had the following ability scores before racial adjustments: Str 13, Dex 15, Con 14, Int 8, Wis 12, Cha 10.

Combat

The poison dusk lieutenant uses its *magic fang* spell on its claws to enhance its combat ability.

Typical Ranger Spell Prepared (1): save DC 11 + spell level; 1—*longstrider*.

POISON DUSK AS CHARACTERS

Poison dusks are more intelligent and dedicated than the other lizardfolk, and most develop ranger skills. Poison dusk sorcerers and adepts are called by their dragon overlords to serve as dragon priests and are not found among the tribes.

Poison dusk characters possess the following racial traits:

— +2 Dexterity, +2 Constitution, –2 Charisma.

— Small size. +1 bonus to Armor Class, +1 bonus on attack rolls, +4 bonus on Hide checks, –4 penalty on grapple checks, lifting and carrying limits 3/4

those of Medium characters.

— A poison dusk lizardfolk's base speed is 30 feet.

— Racial Skills: A poison dusk lizardfolk has a +4 racial bonus on Balance, Jump, and Swim checks. A poison dusk lizardfolk can apply poison without endangering itself. Its chameleon skin allows it a +5 racial bonus on Hide checks.

— +3 natural armor bonus.

— Natural Weapons: 2 claws (1d3) and bite (1d3).

— Special Qualities (see above): Chameleon skin, hold breath, low-light vision.

— Weapon Familiarity: Poison dusk lizardfolk treat bolas and nets as martial weapons rather than exotic weapons.

— Automatic Languages: Draconic, Common. Bonus Languages: Halfling, Sylvan.

— Favored Class: Ranger. A multiclassed poison dusk's ranger class does not count when determining whether it takes an XP penalty.

— Level adjustment +1.
