Cuba for the Misinformed Mick Winter,2013 For more than 50 years the U S government and news media have misrepresented the truth about Cuba This book brings together a fascinating array of facts and anecdotes about Cuba its government its people and the actions the United States has taken against the well being of those people Presented in an encyclopedic format

Cuba and the United States Louis A. Pérez,2011-03-15 The Times Literary Supplement calls Louis A Pérez Jr the foremost historian of Cuba writing in English In this new edition of his acclaimed 1990 volume he brings his expertise to bear on the history and direction of relations between Cuba and the United States Of all the peoples in Latin America the author argues none have been more familiar to the United States than Cubans who in turn have come to know their northern neighbors equally well Focusing on what President McKinley called the ties of singular intimacy linking the destinies of the two societies Pérez examines the points at which they have made contact politically culturally economically and explores the dilemmas that proximity to the United States has posed to Cubans in their quest for national identity This edition has been updated to cover such developments of recent years as the renewed debate over American trade sanctions against Cuba the Eli n Gonz lez controversy and increased cultural exchanges between the two countries Also included are a new preface and an updated bibliographical essay
