

A photograph of a forest scene. In the foreground, there is a calm body of water, possibly a pond or a slow-moving stream, which perfectly reflects the surrounding forest. The trees are tall and slender, with dense green foliage. The sky is not visible, as the canopy of the trees fills the upper portion of the frame. The overall atmosphere is peaceful and natural.

## **Mornings With Freddie:**

Morning for Lou Winnie Ace, 2016-07-12 The small conservative town of Alton Pennsylvania is an unlikely choice of location for a beautiful woman with Lou Metcalfe's background. She has moved here from New Jersey. It's known that her three children were born out of wedlock to fathers unidentified. Otherwise her life is a mystery. A troubled youth in ninth grade her son Derek came under the wise counsel of Cal the school janitor. Now a senior Derek is student representative on the prestigious Alton Advisory Board. When Freddie a new student and known trouble maker is blamed for the school break in Derek comes to Freddie's aid Cal is a helpful influence. Tell me about my father Derek asks his mother one evening Lou finally opens the hidden box under her bed and faces her past. A surprising visitor unravels a period of which even Lou was unaware. And Derek's long unknown past finds him. *Lord Freddie's First Love* Patricia Bray, 2015-02-17 A viscount is enraptured but gossips might get in the way of romance in this Regency tale by an author acclaimed for absorbing storytelling. Booklist. Despite having proposed to more than a dozen women Viscount Frederick remains one of London's most eligible bachelors. The debutantes simply don't find him dashing enough for their tastes. His pride stinging from his latest rejection Freddie leaves London for his country estate. After six years abroad Anne Webster has returned to New Biddeford with a child at her side a child whose unruly red hair and mischievous green eyes leave society gossips quite sure of the identity of his mother. Though five year old Ian is really Anne's nephew nothing could quiet the scandal or erase the stigma once the ton started talking. Anne's childhood companion Viscount Frederick was the only person to offer friendship and then a rapturous love. But how could Anne allow Freddie to destroy his life by marrying a woman with a tarnished reputation such as hers. **The Treasure of San Miguel Island** William H. Only Mary Rogers requires them to dance naked. To Rogers an award winning columnist for the Fort Worth Star Telegram that term signifies a pact between the writer the subject and the reader only when stories eliminate artifice and express honest beliefs and emotions can they merit attention and trust. It's a phrase and philosophy unique to Rogers and as a result the stories in *Dancing Naked* Memorable Encounters with Unforgettable Texans are unique too. You've never read anything like them and besides making you think Rogers' lyrical writing style and memorable insights into the traumas and triumphs of the human spirit will make you feel. Published in the Star Telegram from 1991 through 2007 *Dancing Naked* presents the compelling stories of a variety of Texans a few famous and all unforgettable and adds a half dozen essays from Rogers about her own colorful life.
