From the smallest 10' model to the largest 24' model, we have a folding camper for you. And, with our "rigid" construction, you can be sure your folding camper will stand up to the rigors of travel.

Our folding campers are built with a "rigid" construction that allows them to be folded down to a compact size for easy storage and transport. Yet, when unfolded, they provide a sturdy, comfortable living space. This is the reason why our folding campers are the most popular choice for those who want the best of both worlds.

When you're ready to unfold your folding camper, you'll find it's a truly remarkable living space. The interior is fully equipped with everything you need for a comfortable stay. And, with our "rigid" construction, you can be sure your folding camper will stand up to the rigors of travel.
