

**Vendredi  
soir**  
12 ans et +

L'ennui, c'est pas toujours facile. On a le cœur qui bat, pour dire ne pas être à la hauteur ou pour ce garçon ne nous ait, même pas remarquée. Pourtant, l'ennui c'est si important pour grandir !

Julie, Maud et Marine ont vécu quelque chose. À travers **trois romans**, elles nous font partager ce moment particulier qu'elles font vivre doucement dans le monde des adultes.

Ces histoires sont celles de toutes les filles qui ont envie d'être amoureuse et sont parfois désemparées devant ce sentiment tout neuf.

Auteur : Catherine Gera Muller

**ROMAN**

- Adolescence
- Sentiments
- Premier amour

## Girls Stories Nos Belles Histoires De Filles:

Girls' stories 2 - Nos (belles) histoires de filles Catherine Ganz-Muller, 2012-06-01 Grandir est une aventure qui nous bouscule parfois contre notre gr en nous confrontant des situations pas toujours faciles vivre Oc ane Pauline et H l na nous racontent chacune sa fa on ce passage de la fin de l adolescence au d but de l ge adulte Des plages bretonnes aux garrigues de Provence en passant par les rues d un Paris hivernal nous les suivons sur ce chemin que chacun et chacune d entre vous empruntent un jour Gr ce leurs amies s leurs familles et aux adultes qui les entourent elles s y engagent avec confiance elles croisent la jalousie la trahison la maladie l exil mais aussi beaucoup de rires et de complicit s quand elles quittent ce chemin c est grandies et confiantes en l avenir Cet ouvrage a t num ris avec le concours du Centre National du Livre *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1959 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December *Crusoes and Other Castaways in Modern French Literature* Joseph Acquisto, 2012-08-31 *Crusoes and Other Castaways in Modern French Literature* Solitary Adventures by Joseph Acquisto examines the many ways in which the castaway particularly in the form of engagement with Robinson Crusoe has been reinterpreted and appropriated in nineteenth through twenty first century French literature The book is not merely a literary history of the robinsonnade in France rather Acquisto demonstrates how what he calls the genre of solitary adventure becomes a vehicle for exploration of much larger questions about the reception of texts modes of reading and the relationship between popular and serious literary traditions The heart of *Crusoes and Other Castaways in Modern French Literature* examines a crucial moment in the late nineteenth and early twentieth centuries when the history of cultural perspectives on reading and solitude intersect catalyzing a reconsideration of Defoe s tale Acquisto s philosophically inflected readings of works by writers from Rousseau to Balzac Verne to Gide Val ry to Tournier enhance intertextual and cultural approaches to the castaway myth and broaden our appreciation of the dynamic relation it has to modern French literature writ large *Mother Goose Refigured* Christine A. Jones, 2016-11-07 *Mother Goose Refigured* presents annotated translations of Charles Perrault s 1697 fairy tales that attend to the irony and ambiguity in the original French and provide a fresh take on heroines and heroes that have become household names in North America Charles Perrault published *Histoires ou Contes du temps pass* *Stories or Tales of the Past* in France in 1697 during what scholars call the first vogue of tales produced by learned French writers The genre that we now know so well was new and an uncommon kind of literature in the epic world of Louis XIV s court This inaugural collection of French fairy tales features characters like Sleeping Beauty Cinderella and Puss in Boots that over the course of the eighteenth century became icons of social history in France and abroad Translating the original *Histoires ou Contes* means grappling not only with the strangeness of seventeenth century French but also with the ubiquity and familiarity of plots and heroines in their famous English personae From its very first translation in 1729 *Histoires ou Contes* has depended heavily on its English translations for the genesis of character names

and enduring recognition This dependability makes new innovative translation challenging For example can Perrault s invented name Cendrillon be retranslated into anything other than Cinderella And what would happen to our understanding of the tale if it were Is it possible to sidestep the Anglophone tradition and view the seventeenth century French anew Why not leave Cinderella alone as she is deeply ingrained in cultural lore and beloved the way she is Such questions inspired the translations of these tales in *Mother Goose Refigured* which aim to generate new critical interest in heroines and heroes that seem frozen in time The book offers introductory essays on the history of interpretation and translation before retranslating each of the *Histoires ou Contes* with the aim to prove that if Perrault s is a classical frame of reference these tales nonetheless exhibit strikingly modern strategies Designed for scholars their classrooms and other adult readers of fairy tales *Mother Goose Refigured* promises to inspire new academic interpretations of the Mother Goose tales particularly among readers who do not have access to the original French and have relied for their critical inquiries on traditional renderings of the tales

**Elles vécurent heureuses** Johanna Cincinatis, 2024-04-17

Nous sommes de plus en plus nombreuses mettre l'amitié au cœur de nos vies. Certaines amitiés féminines dépassent le cadre classique de la relation amicale : des femmes achètent des maisons ensemble, fondent des tiers lieux, ne se marient pas pour clarifier leur relation d'amitié. Elles valorisent un lien au pouvoir révolutionnaire. Au lieu d'en faire une variable d'ajustement, une relation sans ou sous-pape leur permettant de gérer d'autres types de relation, elles placent l'amitié au centre de leur vie et de leurs intérêts. Et si ce modèle se démocratisait ? Que se passerait-il si l'amitié féminine représentait le même acquis social que le couple et qu'elle ouvrait autant de portes : capital économique, reconnaissance sociale, soutien fiscal, réseau professionnel, aboutissement personnel ? L'amitié féminine foutrait tout le système en l'air. Ce livre qui m'a témoigné de l'autrice et enquête nous invite à remettre en question le modèle traditionnel du couple comme structure sociale de base et à imaginer d'autres possibilités, d'autres façons de faire famille qui seraient sources de panouissement et de liberté pour les femmes trop souvent enfermées dans le carcan étouffant du couple hétérosexuel.

As recognized, adventure as capably as experience practically lesson, amusement, as capably as contract can be gotten by just checking out a book **Girls Stories Nos Belles Histoires De Filles** afterward it is not directly done, you could consent even more nearly this life, regarding the world.

We give you this proper as well as simple quirk to acquire those all. We provide Girls Stories Nos Belles Histoires De Filles and numerous books collections from fictions to scientific research in any way. in the midst of them is this Girls Stories Nos Belles Histoires De Filles that can be your partner.
