All Gods Battle Amazing George Hilton McCabe,2013-05-24 Amazing George lives a life of bad and good religious choices His conscious life seems confused Yet he finds powerful forces guiding him to where he is most uncomfortable He knows he is flawed with failure possessed by dangerous ambitions and confused by memory shadows He wanders seemingly without purpose while moving

with the relentless guidance of people and events You may see your own religious beliefs lived or distorted Innocently these sneak into Georges living but they come as if by some design He finds a variety of people rejecting and accepting them carelessly His own life plans give way to horrific events as well as the most uplifting Somehow he keeps on his way without personal direction Hes clumsy comical tragic and perhaps hope filled He is his own person without suspecting his own destiny until a burst of clarity renders him amazing A patient reader will get his or her amazing reward for loyalty

THE GODS IN THE FIELDS Nigel Graddon,2020-01-01 This book offers for the first time detailed insights into England s St Michael leyline the celebrated straight track whose dragon energies Michael and Mary travel coast to coast from Cornwall to Norfolk Along its 364 mile length are some of the most renowned megalithic

historical and otherworldly features found anywhere in the world British researcher Nigel Graddon takes us on a special journey to explore these magnificent locations We learn of Britain s special place in the origins of ancient wisdom and of the Sun Men who taught it to a humanity in its infancy Aspects of these teachings are to found all along the St Michael ley at Glastonbury Britain s holiest earth and the hallowed location of Merlin and Arthur s Avalon in the design and layout of the extraordinary Somerset Zodiac of which Glastonbury is a major part in the amazing stone circles and serpentine avenues at Avebury and nearby Silbury Hill portals to unimaginable worlds of mystery and enchantment the Gods in the Fields Wiltshire s incredible volume of mind blowing crop circles and their invisible makers Graddon s exciting discovery of the St Michael ley s Golden Ratio position and its enchanting connections between Lewis Carroll Alice in Wonderland and the fairyfolk and not least the enduring tales of high strangeness east of the line including Suffolk s history of X Files time slip phenomena and the infamous UFO events Britain s Roswell in the county s Rendlesham Forest Chapters include Britain Key Lock and Door Michael Mary and Merlin England s West Country The Glastonbury Zodiac Wiltshire The Gods in the Fields Michael Mary and Alice East of the Line Table of Michael and Mary locations more *You Shall Be as Gods* Erick Erickson, 2024-06-25 Our country doesn t have a partisan problem a political problem a social problem or an economic problem We have a spiritual problem What in the world is happening To many Americans it feels as if reality itself has been turned upside down Speaking truth or even suggesting such a thing exists is labeled as oppression and cause for social banning Judeo Christian values once taken for granted are not only routinely ignored but openly attacked Why is America being fundamentally transformed before our eyes As Christianity has been pushed aside the Progressive Left has developed a new pagan religion complete with all the trappings creeds confessionals sacraments and mantras liturgies shunnings sacred books redemptive rituals and priests and priestesses But the radical roots of the new secular religion are ancient We ve seen it all before In *You Shall Be as Gods* Erick Erickson traces the religion s roots from Paganism and Gnosticism through the Age of Enlightenment all the way into the Postmodernism of the 21st century At the heart of the ancient religion is a self centered culture The Christian church today has been weakened by compromising with the neo pagan religion leaving the faithful confused and ill prepared to counter the claims of society s present day doctrine Yet there remains a significant remnant perhaps even a silent majority in America that refuses to bow to the rising belief system Just as in Rome and countless societies throughout history the religions present two opposing stories of reality which necessitates conflict In an era where the Christian thing to do seems to be to go along and get along Erickson makes clear that the two cultures cannot peacefully coexist and calls the reader to speak the truth in love
