Sitting in the doctor's office listening to the diagnosis, Jennifer and her parents were shocked. Jennifer's life had only just begun. A recent college graduate, she had only just launched her career in the fashion industry. Now, before her life had truly begun, Jennifer was faced with the prospect of losing a breast. But she was strong. Though the diagnosis was bleak, Jennifer found the strength to be grateful that the prospects were not worse. Death, as a result of breast cancer, is on the decline, and she was thankful for that. Even so, there is more to deal with when facing breast cancer than mortality, as Jennifer has since learned. In her motivational memoir *A Sarcastic Guide to Beating Breast Cancer*, Jennifer Manghisi shares what she learned on her journey to survival. From coping with the diagnosis to managing chemotherapy to managing the depression and becoming healthy again, Jennifer shares important and insightful advice on becoming a breast cancer survivor that only experience can teach. In this inspiring true story of will, determination, and perseverance, Jennifer shares the highs and lows of her intense battle for her life.
