The Middle Ages and the Movies Robert Bartlett, 2022-08-04 From Ingmar Bergman's *The Seventh Seal* to Monty Python an investigation into how eight key films have shaped our understanding of the medieval world In *The Middle Ages and the Movies* eminent historian Robert Bartlett takes a fresh cogent look at how our view of medieval history has been shaped by eight significant films of the twentieth century The book ranges from the concoction of sex and nationalism in Mel Gibson's *Braveheart* to Fritz Lang's silent epic *Siegfried* the art house classic *The Seventh Seal* and the epic historical drama *El Cid* Bartlett examines the historical accuracy of these films as well as other salient aspects how was Umberto Eco's *Name of the Rose* translated from page to screen Why is Monty Python and the *Holy Grail* funny And how was Eisenstein's *Alexander Nevsky* shaped by the Stalinist tyranny under which it was filmed

Remaking the Middle Ages Andrew B.R. Elliott, 2014-01-10 Proposing a fresh theoretical approach to the study of cinematic portrayals of the Middle Ages this book uses both semiotics and historiography to demonstrate how contemporary filmmakers have attempted to recreate the past in a way that while largely imagined is also logical meaningful and as truthful as possible Carrying out this critical approach the author analyzes a wide range of films depicting the Middle Ages arguing that most of these films either reflect the past through a series of visual signs a concept he has called iconic recreation or by comparing the past to a modern equivalent called paradigmatic representation

Medieval film Anke Bernau, Bettina Bildhauer, 2021-06-15 Medieval film explores theoretical questions about the ideological artistic emotional and financial investments inhering in cinematic renditions of the medieval period What does it mean to create and watch a medieval film What is a medieval film and why are they successful This is the first work that attempts to answer these questions drawing for instance on film theory postcolonial theory cultural studies and the growing body of work on medievalism Contributors investigate British German Italian Australian French Swedish and American film exploring topics such translation temporality film noir framing and period film and find the medieval lurking in unexpected corners In addition it provides in depth studies of individual films from different countries including *The Birth of a Nation* to *Nosferatu* and *Robin Hood Prince of Thieves* Medieval Film will be of interest to medievalists working in disciplines including literature history to scholars working on film and in cultural studies It will also be of interest to undergraduates postgraduates and to an informed enthusiast in film or and medieval culture

Knight at the Movies John Aberth, 2012-10-02 Imagining the Middle Ages is an unprecedented examination of the historical content of films depicting the medieval period from the 11th to the 15th centuries Historians increasingly feel the need to weigh in on popular depictions of the past since so much of the public's knowledge of history comes from popular mediums Aberth dissects how each film interpreted the period offering estimations of the historical accuracy of the works and demonstrating how they project their own contemporary era's obsessions and fears onto the past *History on Film/Film on History* Robert A. Rosenstone, 2023-11-30 History on Film Film on History has established itself as a classic treatise on the historical film and its role in bringing the past to life In the fourth edition of this widely acclaimed text Robert A Rosenstone argues that to leave history films out of the discussion of the meaning of the past is to ignore a major means of understanding historical events This book examines what history films convey about the past and how they convey it demonstrating the need to learn how to read and understand this new visual world and integrating detailed analysis of films such as Schindler's List Glory October and Reds Advocating for the dramatic feature as a legitimate way of doing history this edition includes a new Preface and a new chapter that focuses on films produced in Latin America Africa the Middle East India and East Asia Examining the codes and conventions of how these films tell us about the past and providing guidance on how to effectively analyse films as historical interpretations this book is an essential introduction to the field for students of history and film

The Middle Ages in Popular Imagination Paul B. Sturtevant, 2018-02-28 It is often assumed that those outside of academia know very little about the Middle Ages But the truth is not so simple Non specialists in fact learn a great deal from the myriad medievalisms post medieval imaginings of the medieval world that pervade our everyday culture These like Lord of the Rings or Game of Thrones offer compelling if not necessarily accurate visions of the medieval world And more they have an impact on the popular imagination particularly since there are new medievalisms constantly being developed synthesised and remade But what does the public really know How do the conflicting medievalisms they consume contribute to their knowledge And why is this important In this book the first evidence based exploration of the wider public's understanding of the Middle Ages Paul B Sturtevant adapts sociological methods to answer these important questions Based on extensive focus groups the book details the ways both formal and informal that people learn about the medieval past and the many

other ways that this informs and even distorts our present In the process Sturtevant also sheds light in more general terms onto the ways non specialists learn about the past and why understanding this is so important The Middle Ages in Popular Imagination will be of interest to anyone working on medieval studies medievalism memory studies medieval film studies informal learning or public history

Music in Films on the Middle Ages John Haines, 2013-10-30 This book explores the role of music in the some five hundred feature length films on the Middle Ages produced between the late 1890s and the present day Haines focuses on the tension in these films between the surviving evidence for medieval music and the idiomatic tradition of cinematic music The latter is taken broadly as any musical sound occurring in a film from the clang of a bell off screen to a minstrel singing his song Medieval film music must be considered in the broader historical context of pre cinematic medievalisms and of medievalist cinema s main development in the course of the twentieth century as an American appropriation of European culture The book treats six pervasive moments that define the genre of medieval film the church tower bell the trumpet fanfare or horn call the music of banquets and courts the singing minstrel performances of Gregorian chant and the music that accompanies horse riding knights with each chapter visiting representative films as case studies These six signal musical moments that create a fundamental visual aural core central to making a film feel medieval to modern audiences originate in medievalist works predating cinema by some three centuries

Law, Justice, and Society in the Medieval World Esther Liberman Cuenca, M. Christina Bruno, Anthony Perron, 2025-05-06 This coursebook is the first full length study of cinematic legal medievalism or the modern interpretation of medieval law in film and popular culture For more than a century filmmakers have used the Middle Ages to produce popular entertainment and comment on contemporary issues Each of the twenty chapters in Law Justice and Society in the Medieval World represents an original contribution to our understanding of how medieval regulations laws and customs have been depicted in film It offers a window into the rules of medieval society through the lens of popular culture This book includes analyses of recent and older films avant garde as well as popular cinema Films discussed in this book include Braveheart 1995 Kingdom of Heaven 2005 The Passion of Joan of Arc 1928 The Last Duel 2021 The Green Knight 2021 The Little Hours 2017 and The Adventures of Robin Hood 1938 among others Each chapter explores the contemporary context of the film in question the medieval literary or historical milieu the film references and the lessons the film can teach us about the medieval world Attached to each chapter is an appendix of medieval documentary sources and reading questions to prompt critical reflection

Rosenstone, Constantin Parvulescu, 2012-01-02 Broad in scope this interdisciplinary collection of original scholarship on historical film features essays that explore the many facets of this expanding field and provide a platform for promising avenues of research Offers a unique collection of cutting edge research that questions the intention behind and influence of historical film Essays range in scope from inclusive broad ranging subjects such as political contexts to focused assessments of individual films and auteurs Prefaced with an introductory survey of the field by its two

distinguished editors Features interdisciplinary contributions from scholars in the fields of History Film Studies Anthropology and Cultural and Literary Studies *Introduction to Medieval Europe 300-1500* Wim Blockmans, Peter Hoppenbrouwers, 2014-02-03 *Introduction to Medieval Europe 300-1500* provides a comprehensive survey of this complex and varied formative period of European history Covering themes as diverse as barbarian migrations the impact of Christianization the formation of nations and states the emergence of an expansionist commercial economy the growth of cities the Crusades the effects of plague and the intellectual and cultural life of the Middle Ages the book explores the driving forces behind the formation of medieval society and the directions in which it developed and changed In doing this the authors cover a wide geographic expanse including Western interactions with the Byzantine Empire and the Islamic World Now in full colour this second edition contains a wealth of new features that help to bring this fascinating era to life including A detailed timeline of the period putting key events into context Primary source case boxes Full colour illustrations throughout New improved maps A glossary of terms Annotated suggestions for further reading The book is supported by a free companion website with resources including for instructors assignable discussion questions and all of the images and maps in the book available to download and for students a comparative interactive timeline of the period and links to useful websites The website can be found at www.routledge.com/cw/blockmans Clear and stimulating the second edition of *Introduction to Medieval Europe* is the ideal companion to studying Europe in the Middle Ages at undergraduate level

Cinema Medievalia Kevin J. Harty, Scott Manning, 2024-11-11 This collection of original essays presents new scholarship on nearly three dozen feature length films including silent films animated films films in black and white and films in technicolor along with other shorter examples of cinematic medievalism Written by contributors from around the globe with a wide variety of backgrounds the essays in this volume take a critical approach to one of the most popular forms of medievalism This book presents a full century of cinematic depictions of the Middle Ages with new examinations of works such as *The Seventh Seal* *God's Fool* *La Passion de Jeanne d'Arc* *Saladin the Victorious* *Dante's Inferno* *An Animated Epic* and *A Knight's Tale* among others **Filming the Middle Ages** Bettina Bildhauer, 2013-06-01 In this groundbreaking account of film history Bettina Bildhauer shows how from the earliest silent films to recent blockbusters medieval topics and plots have played an important but overlooked role in the development of cinema *Filming the Middle Ages* is the first book to define medieval films as a group and trace their history from silent film in Weimar Germany to Hollywood and then to recent European co-productions Bildhauer provides incisive new interpretations of classics like Murnau's *Faust* and Eisenstein's *Alexander Nevsky* and she rediscovers some forgotten works like Douglas Sirk's *Sign of the Cross* and Asta Nielsen's *Hamlet* As Bildhauer explains both art house films like *The Seventh Seal* and *The Passion of Joan of Arc* and popular films like *Beowulf* or *The Da Vinci Code* cleverly use the Middle Ages to challenge modern ideas of historical progress to find alternatives to a print dominated culture and even to question what makes us human *Filming the Middle Ages* pays special

attention to medieval animated and detective films and provactively demonstrates that the invention of cinema itself is considered a return to the Middle Ages by many film theorists and film makers *Filming the Middle Ages* is ideal reading for medievalists with a stake in the contemporary and film scholars with an interest in the distant past *Movie Medievalism* Nickolas Haydock, 2014-01-10 This work offers a theoretical introduction to the portrayal of medievalism in popular film Employing the techniques of film criticism and theory it moves beyond the simple identification of error toward a poetics of this type of film sensitive to both cinema history and to the role these films play in constructing what the author terms the medieval imaginary The opening two chapters introduce the rapidly burgeoning field of medieval film studies viewed through the lenses of Lacanian psychoanalysis and the Deleuzian philosophy of the time image The first chapter explores how a vast array of films including both auteur cinema and popular movies contributes to the modern vision of life in the Middle Ages while the second is concerned with how time itself functions in cinematic representations of the medieval The remaining five chapters offer detailed considerations of specific examples of representations of medievalism in recent films including *First Knight* *A Knight's Tale* *The Messenger* *The Story of Joan of Arc* *Kingdom of Heaven* *King Arthur* *Night Watch* and *The Da Vinci Code* The book also surveys important benchmarks in the development of Deleuze's time image from classic examples like Bergman's *The Seventh Seal* and Kurosawa's *Kagemusha* through contemporary popular cinema in order to trace how movie medievalism constructs images of the multivalence of time in memory and representation Instructors considering this book for use in a course may request an examination copy here *The Year's Work in Medievalism, 2011* Edward L. Ridsen, 2012-12-20 *The Year's Work in Medievalism* includes vetted essays from the *Studies in Medievalism* now International Society for the Study of Medievalism annual conference and from submissions to the editor throughout the year The current volume includes a range of topics from medievalism in literature and art to the neomedievalism of movies and games It includes these scholarly contributions E L Ridsen Introductory Letter from the Editor Gwendolyn Morgan *Recollections of Medievalism* Richard Utz *Them* Philologists Philological Practices and Their Discontents from Nietzsche to Cerquiglini Clare Simmons *Really Ancient Druids in British Medievalist Drama* Karl Fugelso *Neomedievalisms in Tom Phillips' Commedia Illustrations* Jason Fisher *Some Contributions to Middle earth Lexicography* Hapax Legomena in *The Lord of the Rings* Simon Roffey *The World of Warcraft A Medievalist Perspective* William Hodapp *Arthur Beowulf Robin Hood and Hollywood's Desire for Origins* M J Toswell *The Arthurian Landscapes of Guy Gavriel Kay* **The Medieval World** Peter Linehan, Janet L. Nelson, 2013-09-13 This groundbreaking collection brings the Middle Ages to life and conveys the distinctiveness of this diverse constantly changing period Thirty eight scholars bring together one medieval world from many disparate worlds from Connacht to Constantinople and from Tynemouth to Timbuktu This extraordinary set of reconstructions presents the reader with a vivid re drawing of the medieval past offering fresh appraisals of the evidence and modern historical writing Chapters are thematically linked in four sections identities beliefs social values and symbolic order power and power structures elites

organizations and groups Packed full of original scholarship The Medieval World is essential reading for anyone studying medieval history **Bodily and Spiritual Hygiene in Medieval and Early Modern Literature** Albrecht

Classen,2017-03-20 While most people today take hygiene and medicine for granted they both have had their own history We can gain deep insights into the pre modern world by studying its health care system its approaches to medicine and concept of hygiene Already the early Middle Ages witnessed great interest in bathing hot and cold swimming and good personal hygiene Medical activities grew over time but even early medieval monks were already great experts in treating the sick The contributions examine literary medical historical texts and images and probe the information we can glean from them The interdisciplinary approach of this volume makes it possible to view this large field in a complex and diversified manner taking into account both early medieval and early modern treatises on medicine water bathing and health Such a cultural historical perspective creates a most valuable bridge connecting literary and scientific documents under the umbrella of the history of mentality and history of everyday life The volume does not aim at idealizing the past but it definitely intends to deconstruct modern myths about the dirty and unhealthy Middle Ages and early modern age **Documenting Taiwan on Film** Sylvia

Li-chun Lin,Tze-lan Deborah Sang,2012-03-12 To date there is but a handful of articles on documentary films from Taiwan This volume seeks to remedy the paucity in this area of research and conduct a systematic analysis of the genre Each contributor to the volume investigates the various aspects of documentary by focusing on one or two specific films that document social political and cultural changes in recent Taiwanese history Since the lifting of martial law documentary has witnessed a revival in Taiwan with increasing numbers of young independent filmmakers covering a wide range of subject matter in contrast to fiction films which have been in steady decline in their appeal to local Taiwanese viewers These documentaries capture images of Taiwan in its transformation from an agricultural island to a capitalist economy in the global market as well as from an authoritarian system to democracy What make these documentaries a unique subject of academic inquiry lies not only in their exploration of local Taiwanese issues but more importantly in the contribution they make to the field of non fiction film studies As the former third world countries and Soviet bloc begin to re examine their past and document social changes on film the case of Taiwan will undoubtedly become a valuable source of comparison and inspiration These Taiwanese documentaries introduce a new Asian perspective to the wealth of Anglo American scholarship with the potential to serve as exemplar for countries undergoing similar political and social transformations Documenting Taiwan on Film is essential reading for all those interested in Taiwan Studies film studies and Asian cinema **Beowulf on Film** Nickolas Haydock,E.L. Ridsen,2013-09-21 Why did the most read work in English literature go without cinematic adaptation for so long And why did five major film treatments appear between 1999 and 2008 This book explores the growing number of films based on the Old English epic poem Beowulf and furthers the ongoing consideration of filmic medievalism Will the powerful influence of cinema affect the future reception of this great cultural linguistic and inherently visual work

The films inevitably sway away from not only the story but also from the themes and concerns of the original to those more interesting to the filmmakers or responsive to the zeitgeist. They measure the pulse of our inherited notions of heroism and teach us more about our own times than about the epic from which they derive.

Medieval History In The Movies: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Medieval History In The Movies : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Medieval History In The Movies : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
