Babin, Marko Sarstedt, 2019-03-18 This commemorative volume honors the contributions of Prof Joseph F Hair Jr who through his writings leadership and mentoring has had a profound influence on marketing and other fields of business research He is widely known for sidestepping mathematically complex ways of teaching statistical approaches with an eye toward making the tools accessible to the average behavioral researcher Joe is also a bona fide researcher whose work has had a massive impact on marketing and business research in general The book provides revealing insights on his works and acknowledges his role as an outstanding teacher and mentor who has shaped generations of researchers [The Strategy of Global](#)

[Branding and Brand Equity](#) Alvin Lee, Jinchao Yang, Richard Mizerski, Claire Lambert, 2015-03-02 Why does a customer choose

one brand over another What are the factors which would make an individual more inclined to choose your brand This book offers a way to predict which brand a buyer will purchase It looks at brand performance within a product category and tests it in different countries with very different cultures Following the Predictive Brand Choice PBC model this book seeks to predict a consumer's loyalty and choice Results have shown that PBC can achieve a high level of predictive accuracy in excess of 70% in mature markets This accuracy holds even in the face of price competition from a less preferred brand PBC uses a prospective predicting method which does not have to rely on a brand's past performance or a customer's purchase history for prediction Choice data is gathered in the retail setting at the point of sale The Strategy of Global Branding and Brand Equity presents survey data and quantitative analyses that prove the method described to be practical useful and implementable for both researchers and practitioners of commercial brand strategies

**International Small and Medium-Sized Enterprises** Edith Olejnik, 2014-01-27. With growing international business, small and medium-sized enterprises (SMEs) have been faced with increased competition but also with enhanced opportunities. Edith Olejnik addresses four major issues within the context of SMEs' internationalization process. First, she identifies the three different internationalization patterns that SMEs take and analyzes how these patterns develop over time. Second, she looks at dynamic changes of foreign operation modes and the managerial reasons for these changes. Third, she

derives an empirical classification of smaller family firms and profiles them using a comprehensive set of organizational variables Fourth she investigates the relationship between firm level processes and dynamic capabilities in driving the international performance of SMEs Based on theoretical considerations and empirical analyses this work provides important implications for research and management practice MICOSS 2020 Suraya ,Daru Asih ,Rizki Briandana,Muhammad Rohmadi,Kundharu Saddhono ,2021-05-06 Mercu Buana International Conference on Social Sciences aims to bring academic scientists research scholars and practitioners to exchange and share their experiences and research results on all aspects of Social Sciences It also provides a premier interdisciplinary platform for researchers educators and practitioners to present and discuss the most recent innovations trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Social Science Society 5 0 This international conference event was held on September 28 29 2020 virtually **Technology, Management and Business** Rajnish Kumar Misra,Archana Shrivastava,Charu Sijoria,2023-06-27 Advanced Series in Management Volume 31 offers cutting edge research from an international range of academics who engage with the potential opportunities and challenges of digitization in the workplace
