redemption or are we destined to live our lives alone      **Dead Bodies Everywhere (Nicki Sosebee Series Book 11)** Jade C. Jamison,2017-05-19      **Locked and Loaded** Jade C. Jamison,2016-02-01 Is it too much to believe that someone keeps returning to your life because it s meant to be Sex drugs and rock n roll have their dark side There is heartache and demons Still there can be redemption if you truly seek it Mary Lou Page Princess blog Zane Carson is an idealistic young man with one big skeleton in his closet when he first meets Jennifer Manders in college They date only to break up soon after The sexual attraction is like an electromagnet but they fight like alley cats The relationship just isn t worth it Zane s band Fully Automatic breaks big about the same time Jennifer finishes college One summer afternoon they meet for coffee and sparks fly once more It s off again on again but they just can t make it work and break it off for good deciding it s not worth the effort But Zane is drawn to her and during a break in the music action he tracks her down again willing to change himself for her and needing to give her one last try The attraction is as strong as ever but now Jennifer is hiding something from Zane something big something that threatens to extinguish the spark for good When Zane discovers her secret will he be able to forgive her or will that be the end      All I Want for Christmas is the Hot Guy in the Santa Suit Jade C. Jamison,2017-12-06

All I wanted for Christmas was for my little boy to be happy so I took him to meet Santa Claus in the mall and he could tell the jolly man all of his wishes and hope that they would come true But it was also magical for me because it turned out that the guy in the Santa suit was HOT Underneath the white hair and beard and padding was a guy that could melt my panties with a look The danger was that he had the potential to melt my heart      Picture Perfect Jade C. Jamison,2017-11-13 It was supposed to be just another photo shoot just another hot guy and me for the cover of some romance book It wasn t supposed

to feel real It wasn't supposed to be real But Shane was so hot and so good looking he was picture perfect and irresistible So when he invited me to his place for coffee I didn't worry about all the reasons why we shouldn't Little did I know Shane would completely change my whole world but I just couldn't say no Based on the short story A Picture is Worth a Thousand Words that appeared in the FORBIDDEN LOVE anthology this novella continues what Shane and Ivy started only steamier

**Substitute Boyfriend** Jade C. **On the Road (Vagabonds #2)** Jade C. Jamison, 2015-12-21 All that glitters isn't gold Sometimes it's just plastic I'm living my rock star dream so I should be happy right Except it doesn't take me long to figure out it's not all it's cracked up to be Our manager is a controlling a-hole and I'm ready to kill our vocalist who thinks she's God's gift to the world But that's not even the worst of it With little supervision and too much freedom comes trouble Because rock n roll's companions are sex and drugs I and my bandmates discover them quickly Before long my dream becomes a dark nightmare The one glimmer of hope in my life is CJ but our relationship is flimsy at best When I give him my body he takes my heart and I soon realize that he won't commit And I refuse to admit I want more As my world spirals out of control I wonder if I'll be able to save my band my friends and my bleeding heart before it's too late This book deals with some pretty hard hitting issues but it was really well written and done so well I was completely drawn into it I'm so glad I got to review this book as I think it will stay with me for a while Bookaholics Reading Haven

**Indie Writer Companion** Jade C. Jamison, 2015-04-15 My first thought when I finished reading was Where the hell was this book when I jumped into self-publishing I love the no-nonsense style that pulls no punches and keeps you interested If you are thinking about self-publishing or even going the traditional route you should read this book before you hit publish L A Remenicky author of SAVING CASSIE Throughout her life Amazon Bestselling author Jade C Jamison has worn many hats One of the most noteworthy is her ongoing gig as a college instructor focused mostly on writing both academic and creative writing classes which paired with her career as a successful indie author gives her the delusion that she is qualified to help other indie self-publishing and aspiring authors become the best writers they can be Jamison loves that indie publishing has opened the door to literally thousands of would-be authors allowing them to share their creations with the world In a realm that was previously shut off to a good many writers unless they could get their

works through all the gatekeepers most writers languished in obscurity or indulged in expensive self publishing ventures and still failed to be read widely Electronic publishing has changed all that has in fact changed the face of publishing as we once knew it revolutionizing reading almost as much as Gutenberg's press hundreds of years ago The publishing process today is democratic in that anyone with a little know how can make his book available to the world and readers not publishers decide whose book will be the next bestseller But says Jamison with great freedom comes even greater responsibility In the traditional publishing world that still exists today authors have editors scouring their manuscripts offering corrections and forcing edits most of which are designed to make the work better in some way creating tighter writing and better pacing making the manuscript error free and other beneficial changes that happen to a book undergoing the traditional experience Some indie writers follow their cue and take the effort to invest in their work by hiring an editor and continually improving their writing yet there are literally hundreds perhaps thousands or millions of indie books available today that in the author's opinion aren't publication ready Jamison taught creative writing and composition classes for years The underlying premise of this book is that every single story deserves to be told and read but writers should and likely do want their books to be the best they can be This book delves into common indie publishing mistakes errors that should be viewed as no nos and how to fix them Jamison's experience in the classroom with hundreds of student writers as well as the years she has been involved in both indie and traditional publishing arenas has given her a unique vantage point and she wants to share her observations as well as teach a few tips and tricks with others in the writing world **Boiling Point (Feverish #1.5)** Jade C.
