

The God Box

Write a prayer, wish or worry on the paper. Fold it, put it in the box, and let it go. God will take care of it!

When the box is full, empty the notes. Don't peek at them! Burn, toss - just let them be.

God In A Box:

You Can't Put God in a Box Kelly Besecke, 2014 The advent of modernity brought with it a crisis of faith Science had upended the religious certainties of earlier eras and believers in the West were cast adrift Some turned to a strident fundamentalism while more recently growing numbers have shunned religion altogether In *You Can't Put God In a Box* Kelly Besecke offers a fascinating examination of people who have found a middle way what is known as reflexive spirituality Those who practice reflexive spirituality Besecke shows draw equally on religious traditions and traditions of reason in the pursuit of transcendent meaning They prefer metaphor to literalism spiritual experience to doctrinal belief religious pluralism to religious exclusivism or inclusivism and ongoing inquiry to final answers They find inspiration in liberal theologies of any number of faiths and allies among the spiritual but not religious Besecke draws on original qualitative data to describe how people practiced reflexive spirituality in an urban United Methodist church an interfaith adult education center and a variety of secular settings By doing so she provides a window into the theological thinking of educated spiritual seekers and religious liberals and shows how they have come up with a unique way of addressing the problem of modern meaninglessness

Blowing the Lid Off the God-Box Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas

Don't Put God in a Box Frank Flynn, 2005-12-13 Does the mind blowing scale of the universe out there scare you Does it confirm in you a conviction that there is no God at least that such a God if he were to exist is altogether unreachable and unknowable or does the magnificence and design of the universe point you to a great creator a living being who created us too a Loving Heavenly Father to whom we can actually relate This short book *Don't put God in a Box* is a personal statement of an ordinary Christian who has also had a scientific education His main thrust is that scientific truths and matters of religious faith can happily coexist side by side and how an honest exposure to the grandeur of the universe can enrich the faith of a believer

Where Once We Feared Enemies Nibs Stroupe, 2005 Whether we are conscious of it or not we fear difference That often unwarranted fear leads us to create enemies in our hearts and minds Growing out of the experience of a multi cultural congregation in which diversity is both valued and feared *Where Once We Feared Enemies* offers an uncompromising prophetic vision of the American church's identity and mission Stroupe firmly grounds a liberal social viewpoint within the biblical and theological traditions of the church and he calls us to hear God's claim on us in our

place and in our time Underlying his powerful messages is the fundamental conviction that the barriers which separate us from our neighbors have been brought down in Jesus Christ This book will be an indispensable addition to any pastor's library It is also inspiring and enlightening reading for anyone interested in the future of the American church as well as its role in the continuing stories of race relations civil rights and peace and justice issues Alphabet of Faith Sara Jewell,2021-11-01 Alphabet of Faith explores what it means to live a life of faith and spirit in the 21st century in the context of Jesus commandment to love one another Weaving together faith and culture this breathtaking book explores what it means to live a life of faith and spirit in the 21st century It brings together 26 words such as energy justice liminal space and X marks the spot that reflect the challenges and joys of living in our beautiful but broken and often brutal world It is unwaveringly contemporary progressive and thought provoking The pieces are written for those who say they are spiritual but not religious for people who are or may be familiar with church but perhaps don't attend anymore for those who know Jesus and his teachings and are familiar with the Bible even if they haven't opened it in a while Ultimately these 26 words are for questioners and doubters who believe in kindness mercy and justice as well as in science and who seek a spiritual path that is inclusive and welcoming of conversation and transformation God in the Box Peter Bell,2015-03 **A Series of Documents** Scott Barry,2020-01-31 This book is a containment of Organic Constitution of 1871 Cestui Que Vie 1666 Act Emergency Banking 1933 Act Your Property Pledge Signature BS Create a Frequency Set Cult Awareness Network CAN Collection The US Constitution from GPO Electrical Stimulation of the Hippo campus Blocks Kyle Odom Manifesto The Lilly Wave and Psychotronic Warfare Low frequency Electric Cortical Stimulation Miac Strategic Report 1 2 One Time Pad Thing Frequency Weapons are Real Non Lethal Weapons Real ID 2020 Act Solving 9 11 Secured Party Creditors Process The USA Patriot Act The rest will be omitted and removed probably **God Out of the Box** Chuck Ripka,2007 Deposits and assets jumped from 5 million to 116 million as Chuck Ripka a Minnesota banker started a faith at work movement in his hometown This resource persuades readers that miracles still happen and teaches them truths that will help them grow in faith and expect miracles in their own lives *Daily Wisdom for Men 2018 Devotional Collection* Compiled by Barbour Staff,2017-10-01 Start your day off right every day of the year Every day starts with the Daily Wisdom for Men collection and experience God's Word Featuring a powerful devotional reading and scripture for every day of 2018 this volume provides inspiration and encouragement for daily life Enhance your spiritual journey with these challenging readings and come to understand the love and wisdom of your Creator *The 'Ism' Dilemma* George I.
