Foundation PHP for Dreamweaver 8 David Powers, 2006-11-09 Want to add the power of a database to your websites Build online forms that send feedback straight to your inbox Incorporate live news feeds and XML data into your web pages This book shows you how to do all that and more Dreamweaver 8 takes a lot of the hard work out of integrating a database into your websites but it can t do everything So instead of just giving you a series of instructions to click this and click that this book helps you understand whats going on in the background As a result you re more likely to

remember and to get it right Most books on PHP concentrate on code and throw all design considerations out the window This one is different It makes use of Dreamweaver 8 s vastly improved CSS rendering and shows you how to build a site thats smart in both senses of the word It looks good and is intelligent too You ll learn how to change the entire look of the site using PHP to serve up different stylesheets each month You ll also build a contact form protected against email injection attacks All of Dreamweaver s PHP server behaviors are put through their paces and you ll even make some custom server behaviors that will come in useful on any site you create Two chapters take you through the setup process with step by step instructions for both Windows and Mac OS X helping you make the right choices Apache or IIS Remote or local testing There are even instructions on how to set up virtual hosts on your own computer And in the unlikely event that things go wrong there s plenty of troubleshooting advice too In this book we look specifically at using Dreamweaver s built in server behaviors to build dynamic web sites using PHP and MySQL the world s most popular open source server side language and database server combination which are both reliable powerful and open source and therefore free to use This version of Dreamweaver includes more powerful support for PHP and MySQL than ever before and we ll show you how to make this work for you No previous experience of PHP or MySQL is necessary to use this book Examples built throughout the book include a content management system and an online image gallery All examples are designed to meet modern usability requirements and be web standards compliant

The Top Books of the Year Login Form Php Code The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
