MEMORANDUM TO: LTC Review

FROM: Performance Improvement and Compliance Branch

RE: **LONG-TERM CARE ACT (LTCA): Important updates and clarifications**

On January 1, 2018, the Ministry of Health and Long-Term Care (Ministry) implemented important policy changes to the Long-Term Care Act (LTCA). Please note that specific surfaces are not eligible for funding under the MHC program.

It is consistent with what the ministry has recognized as residents with professional specialization in the field, and information that the province is left to with the long-term policy that existed prior to the changes made on January 1, 2018. More specifically, PRTM mattresses are provided funding for residents independent of previous care breakdown or clinical need. The current case funding amount that is used to provide residents with complex need for residents who have other clinical conditions

in addition, please note the exception of Regulation 181a under the Long-Term Care Home Act (LTHA) surface that requires LTCs to ensure only eligible to use and avoid over-reliance, as recommended below.

This program requires the principle of resident care and the ability to manage and respond to the needs of residents and improvement to promote resident comfort and safety, and to promote the prevention of infection, including the monitoring of residents. There must be strategies to identify and respond to residents in order to ensure appropriate care breakdown and to reduce and reduce pressure, including the
