Masculine Power and Gender Equality: Masculinities as Change Agents Russell Luyt, Kathleen Starck, 2020-03-03 This book explores how political institutions can

challenge dominant and normative masculinities guiding thinking instead toward a transformation of gendered power structures and general equality. Representing a range of relevant areas, the expert chapter authors provide various methodological and theoretical approaches applied to shifting gender meanings in cultural, national, and social contexts. Authors also represent a variety of cultures contributing to the multi-perspective debate about how best to achieve gender equality in the real world. Among the topics discussed: Reimagining masculinities, their everyday practice and practical interventions; Towards a feminist theory of male rape; Political implications of challenging men's everyday practices through domestic violence; primary prevention work; Men as allies: a case study of White Ribbon Australia; Masculine Power and Gender Equality; Masculinities as Change Agents provides valuable insight into strategies for reimagining male-dominated power structures and promoting gender equality.
