Thorburn, 2005 Surveys important Greek and Roman authors plays characters genres historical figures and more      Narrative Art & Women in the Gospels and Acts David Malick, 2018-06-05 David Malick applies the hermeneutics of narrative analysis to select passages involving women in the Gospels of Mark Luke John and in the Book of Acts At times the scope of this analysis extends beyond heightened understanding of how authors presented women as significant characters and even foils to men in the narratives The use of duality and balance in the narratives of Zacharias and Mary Nicodemus and the Samaritan Woman and Aeneas Tabatha and Cornelius focus on what the author is doing with what he is saying The use of intercalations or sandwich stories brings about heightened meaning when the stories of Jesus mother and the religious leaders or Jairus and the woman with a hemorrhage or Judas and the woman who anoints Jesus for his burial are read together in Mark A first and subsequent reading of the healing of Simon s mother in law in Mark provides the reader with the first picture of true discipleship The literary technique of a sign sermon shows logical unity to what might be considered separate units in Mark and Acts      **The Message of Acts in Codex Bezae (vol 4)** Jenny Read-Heimerdinger, Josep Rius-Camps, 2009-06-15 This is the final volume in the justifiably lauded four volume commentary on the Book of Acts presenting a fresh look at the text of Codex Bezae and comparing its

message with that of the more familiar Alexandrian text of which the Codex Vaticanus is taken as a representative Where Codex Bezae is lacunary after 22 29 other manuscripts that often support Bezan readings elsewhere are employed Although based on the Greek text the commentary aims to be accessible to those who are not familiar with Greek It is intended to publish the entire Greek text of Codex Bezae following the publication of this fourth volume The fourth volume addresses Acts 18 24 28 31 the chapters that cover the trial of Paul and the last stage of the mission to the Gentiles culminating in Paul's unhindered proclamation of the gospel in Rome For each section there is a side by side translation of the Vaticanus and Bezan manuscripts or related alternatives after 22 29 followed by a full critical apparatus which deals with more technical matters and finally a commentary which explores in detail the differences in the message of the two texts Of particular interest in this part of Acts is the evaluation made by the author of Paul's defence at his successive trials which it is argued is considerably less favourable than is commonly assumed

 Read-Heimerdinger,2009-08-15 This final volume in the four volume commentary The Message of Acts in Codex Bezae  
 continues the comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text  
 represented by Codex Vaticanus For each section of Acts there is a side by side translation of the Bezan and Alexandrian  
 manuscripts followed by a critical apparatus and finally a commentary that explores the variations in the message of the two  
 texts Working from this strong methodological foundation Jenny Read Heimerdinger and Josep Rius Camps conclude that the  
 Bezan text is the earlier of the two In the process they provide an illuminating and comprehensive guide to the Acts of the  
 Apostles Book Jacket     Pacific Coast Africanist Association Newsletter ,1975     **The Roman Household** Jane F.  
 Gardner,Thomas Wiedemann,2013-01-11 With the help of a wide variety of source material particularly legal documents and

 his days in the peacefulness of his quiet mountain hamlet The complexity of urban living and the activities of sinister  
 criminals never reached their sleepy village This would all change when an evil family lacking a moral compass would  
 challenge their peaceful way of life Eighteenth century Georgian England was a dangerous spider s web of complex  
 relationships diverse communities and compelling business interests Confronted by the maliciousness of the wicked Michael  
 s sense of morality would serve as the battleground for his growth as a man Michael the confident musician would find  
 himself thrust out upon the turbulence of a more challenging life by two things the cancer of criminal intrigue and the

consolation of tender romance He would explore what it would mean to share a deep relationship He would learn that love is so much more than romance For Michael much like a ship greatness wouldn't be discovered until it had weathered perilous storms and survived desperate battles

**Freed Persons in the Roman World** Sinclair W. Bell, Dorian Borbonus, Rose MacLean, 2024-05-31 How were freed people represented in the Roman world This volume presents new research about the integration of freed persons into Roman society It addresses the challenge of studying Roman freed persons on the basis of highly fragmentary sources whose contents have been fundamentally shaped by the forces of domination Even though freed persons were defined through a common legal status and shared the experience of enslavement and manumission many different interactions could derive from these commonalities in different periods and localities across the empire Drawing on literary epigraphic and archaeological evidence this book provides case studies that test the various ways in which juridical categories and normative discourses shaped the social and cultural landscape in which freed people lived By approaching the literary and epigraphic representations of freed persons in new ways it nuances the impact of power asymmetries and social strategies on the cultural practices and lived experiences of freed persons
