Event-Cities 4 Bernard Tschumi, Lawrence Hunter, 2010-09-03 Lausanne EPFL Extension 1993 solids and Voids Reversal p 487 499 Mega-event Cities: Urban Legacies of Global Sports Events Valerie Viehoff, Gavin Poynter, 2016-03-02 Mega events represent an important moment in the life of a city providing a useful lens through which we may analyse their cultural social political and economic development In the wake of the International Olympic Committee s IOC s concerns about gigantism and wider public concerns about rising costs it was imperative in the C21st to demonstrate the long term benefits that arose for the city and nations from hosting premier sporting events London 2012 was the first to integrate the concept of legacy from the moment a bid to host the Olympic and Paralympic Games was being considered London proposed an ambitious programme of urban renewal for East London Subsequent host city bids have adopted the legacy narrative and as this book demonstrates aligned this to major schemes of urban development and renewal Bringing together scholars practitioners and policy makers this book focuses upon the legacies sought by cities that host major sports events It analyses how governments the IOC and others define and measure legacy It also focuses upon the challenges and opportunities facing future host cities of mega events looking at their aspirations and the intended impact upon their domestic and international development It questions what the global shift in geographical location of mega events means for sports development and the business of sport what the attractions are for cities seeking to harness the hosting of a mega event and whether there may be longer term consequences for the bidding and hosting major sporting events in the wake of the widespread social unrest that accompanied the preparations in Brazil for hosting the FIFA World Cup 2014 and the summer Olympics 2016 and in Turkey where there was significant opposition to bid for the 2020 summer Olympiad *Event-cities 2* Bernard Tschumi, 2000 Lausanne EPFL Extension 1993 solids and Voids Reversal p 487 499 Events Management Razaq Raj, Tahir Rashid, 2022-03-20 Now in its Fourth Edition this key text has been fully revised and updated and includes two new chapters on Evaluation and Impact of Events and The Future of the Events Industry Packed with case studies both in text and online it takes the reader through the whole process of events management **Event Portfolio Management** Vladimir Antchak, Vassilios Ziakas, Donald Getz, 2019-09-01 A concise introduction to portfolio theory and methods for use in event management and event tourism Divided into 2 parts of Theory and Practice it explains why it is important in event studies and management and then shows how related methods can be used and adapted using real world international case studies

Mega-Event Mobilities Noel B. Salazar, Christiane Timmerman, Johan Wets, Luana Gama Gato, Sarah Van den Broucke, 2016-12-01 Global sports events are rarely far from the public eye Such mega events are about much more than the sporting competitions themselves They entail global exposure and intense struggles by different stakeholders This is the first book to examine sports mega events from a mobilities perspective It analyses the mobile construction of global sports mega events and the role this plays in managing labour imaginaries policies and legacies In particular the book focuses on the

tension between the various mobilities and immobilities that are implied in the process of constructing a mega event It seeks to uncover the ways in which an event is a series of fluid interactions that occur sequentially and simultaneously at multiple scales in diverse spheres of interaction Contributions explore the dynamics through which mega events occur revealing the textures and nuance of the complex systems that sustain them and the ways that events ramify throughout the international system

Sport in the City Chris Gratton,Ian Henry,2002-09-09 This book covers the significance of sport in economic cultural and political terms It discusses the theory and practice of sports related policy for urban development

Sport Mega-Events in Emerging Economies Gonzalo A. Bravo,David J. Shonk,Jorge Silva-Bórquez,Silvana

González-Mesina,2018-04-16 Chile and the South American Games of Santiago 2014 offers an interesting case to examine an event of sizeable magnitude in a country with little history of hosting sport mega events SMEs This case study will expand the readers understanding of third order SMEs like the South American Games and highlight the circumstances under which they occur It also contributes to advance and challenge our knowledge as to what extent previous findings made on impact legacies justifications and challenges identified on larger scale SMEs hosted in the developed world inform the process and outcomes of second or third order SMEs organized in less developed countries This monograph is suitable for scholars and practitioners who want to expand their knowledge on sport event planning outside the rim of the global north It is an essential read for scholars and graduate students in policy studies sociology international business sport and event management and tourism and hospitality Likewise it is an important resource for event planners government officials event rights holders and sport destination marketers involved with the planning of sport mega events across the world

Marketing Destinations and Venues for Conferences, Conventions and Business Events Tony Rogers,Rob Davidson,2015-11-19 Marketing Destinations and Venues for Conferences Conventions and Business Events introduces students to key areas of marketing and promotion that are essential if destinations are to compete successfully in the rapidly expanding global business event sector It achieves this by looking at issues surrounding business event marketing strategic planning destination and venue selling strategies and future challenges The 2nd Edition has also been updated to include New content on destination marketing organisations and venues use of technology use and impact of social media sponsorship and partnership issues economic changes as well as their responses to demand for sustainable meetings locations Updated and new case studies on growth areas and emerging markets e g Middle East Asia Eastern Europe Russia Africa and South America but also to include material on mature markets destinations and venue operators A genuinely international focus in terms of content and examples New review and discussion questions and where appropriate learning outcomes New online resource package for students and lecturers including weblinks power point slides and project questions coming soon Accessible global and informative this is essential reading for all future business event and conference managers

Crisis Management and Recovery for Events Vassilios Ziakas,Vladimir Antchak,Don Getz,2021-04-30 The

first text to fully explore the issue of ownership and governance of international events Split onto two distinct parts of Theory and Cases it presents cases from sports as well as non sports events in addition to general principles regarding ownership and governance based on historical legal and managerial considerations *Managing Major Sports Events* Milena M. Parent,Aurélia Ruetsch,2020-11-29 *Managing Major Sports Events Theory and Practice* is a complete introduction to the principles and practical skills that underpin the running and hosting of major sports events from initial bid to post event legacy and sustainability Now in a fully revised and updated new edition the book draws on the latest research from across multiple disciplines explores real world situations and emphasises practical problem solving skills It covers every key area in the event management process including Bidding leadership and planning Marketing and human resource management Venues and ceremonies Communications and technology including social media Functional area considerations including sport protocol and event services Security and risk management Games time considerations Event wrap up and evaluation Legacy and sustainability This revised edition includes expanded coverage of cutting edge topics such as digital media culture human resources the volunteer workforce readiness security and managing Games time Each chapter combines theory practical decision making exercises and case studies of major sports events from around the world helping students and practitioners alike to understand and prepare for the reality of executing major events on an international scale Also new to this edition is an Outlook Trends and Innovations section in each chapter plus tips from leading events professionals *Managing Major Sports Events Theory and Practice* is an essential textbook for any course on sports event management or international sports management and an invaluable resource for all sport management researchers practitioners and policymakers Online resources include PowerPoint slides multiple choice questions essay questions stories and decision making exercises *Contemporary Megaprojects* Seth Schindler,Simin Fadaee,Dan Brockington,2021-08-13 *Contemporary megaprojects* have evolved from the discreet modernist projects undertaken in the past by centralized authorities to encompass everything from large scale construction to space exploration *Contemporary Megaprojects* explores how these projects have been impacted by cutting edge technology the private sector and the processes of decentralization and dematerialization With case studies ranging from mega plantations in Southeast Asia to ocean mapping to sports events the contributions in this collected volume demonstrate the increasing ambition and pervasiveness of these projects as well as their significant impact on both society and the environment ***Routledge Handbook of Sport and Legacy*** Richard Holt,Dino Ruta,2015-03-02 What remains of a great sporting spectacle after the last race is run or the final match is played How can the vast expense of mounting such events be justified What if there is nothing left behind or what if the legacy is negative a costly infrastructure which is unused or a debt ridden host city The *Routledge Handbook of Sport and Legacy* addresses perhaps the most important issue in the hosting of major contemporary sporting events the problem of legacy It offers a rigorous innovative and comparative insight into this contested concept from interdisciplinary and practical

perspectives Major events must now have a conscious credible and defined policy for legacy to meet public expectations The book provides a comprehensive survey of the various kinds of legacy that can be delivered as well as a close examination of the potential benefits and practical challenges involved in each From hard legacies such as stadia and infrastructure to soft legacies including skill development attitude change and capacity building the book offers both a historical case study and an innovative strategic management approach and establishes the limits of what can realistically be achieved in terms of economic social cultural physical and sporting development The Routledge Handbook of Sport and Legacy includes contributions from world leading scholars and practitioners and features detailed case studies of major sports events from around the world including the FIFA World Cup and ten Olympics Games from London in 1908 to London 2012 It is invaluable reading for students and researchers working in sport studies events management human geography economics or planning and an essential reference for any professional engaged in delivering legacy through sport Mega-Events and Globalization Richard Gruneau, John Horne, 2015-10-05 Since the turn of the twenty first century there has been a trend for urban mega events to be awarded to cities and nations in the East and Global South Such events have been viewed as economic stimulant as well as opportunities to promote national identity gain greater international recognition and exercise a form of soft power However there has also been on going controversy about the value impact and legacy of global mega events in these cities and nations This book provides a critical examination of the ambition for spectacle that has emerged across the East and Global South The chapters explore the theoretical and conceptual issues associated with mega events and new forms of globalization from the critical political economy of mega events in a changing world order to the contested social and economic legacies of mega events and the widespread opposition that increasingly accompanies these events The book also explores questions of urban development and governance the role of new communications technologies in global economic expansion the high security State and the growing global influence of international non governmental organizations This book offers a rich collection of original theoretical contributions and global case studies from leading international scholars from the social sciences and humanities It offers a fresh and unique interdisciplinary perspective that synthesizes cutting edge research on mega events and urban spectacles while simultaneously contributing to a broader understanding of the dynamics of global capitalism and international political power in the early twenty first century **The Sport Mega-Events of the 2020s** Jan Andre Lee Ludvigsen, Joel Rookwood, Daniel Parnell, 2023-10-31 This book explores various social cultural political and economic issues through the lenses of various sport mega events in the twenty first century including the Olympic Games and the World Cup and European Championships in football In a time where sport mega events are closely followed by controversies legacy discourses and questions of their governance the chapters within this book showcase why sport mega events continue to ignite important questions for scholars commentators fans and sport and political authorities By covering various topics emerging around sport mega events such as physical activity legacies

rhetoric media coverage environmental impacts diplomacy and spectators experiences this book breaks new ground as it considers a range of longstanding and emerging socio political issues relating broadly to the staging of spectacular sport mega events in the present day This is a fascinating reading for students and researchers situated in sociology sport management event management political science sport studies sport business urban studies and leisure studies The chapters in this book were originally published as a special issue of *Sport in Society* *Mega-Events* Graeme Evans,2019-09-17 This book brings together different perspectives of mega event bidding hosting and legacies Their impact is considered through an international range of mega events in terms of land use political and socio economic change and the placemaking processes that accompany these area based regeneration projects From city regions that have not been successful or withdrawn from mega event selection to contemporary Olympic Football World Cup and Expo host cities whose legacy is still unfolding to event sites whose legacy is now established the global appeal of the mega event is apparent from this collection The book interrogates the mega event phenomenon in ten countries from North and South America and Australia to Western and Eastern Europe Drawing on their historical evolution and antecedents and following recurrent themes of urban regeneration and resistance the book highlights the importance of major events and festivals to the creation and marketing of place through branding and regional growth In considering a range of mega events critically and in different national and geopolitical contexts the book will be of interest to policy and decision makers at local regional national and international levels and will be of particular interest to professionals scholars and students working in planning urban studies sport and leisure studies and in event and festival management *Architectural Drawings as Investigating Devices* Marianna Charitonidou,2023-07-10 *Architectural Drawings as Investigating Devices* explores how the changing modes of representation in architecture and urbanism relate to the transformation of how the addressees of architecture and urbanism are conceived The book diagnoses the dominant epistemological debates in architecture and urbanism during the 20th and 21st centuries It traces their transformations paying special attention to Le Corbusier and Ludwig Mies van der Rohe s preference for perspective representation to the diagrams of Team 10 architects to the critiques of functionalism and the upgrade of the artefactual value of architectural drawings in Aldo Rossi John Hejduk Peter Eisenman and Oswald Mathias Ungers and finally to the reinvention of architectural programme through the event in Bernard Tschumi and the Office for Metropolitan Architecture OMA Particular emphasis is placed on the spirit of truth and clarity in modernist architecture the relationship between the individual and the community in post war era architecture the decodification of design process as syntactic analogy and the paradigm of autonomy in the 1970s and 1980s architecture the concern about the dynamic character of urban conditions and the potentialities hidden in architectural programme in the post autonomy era This book is based on extensive archival research in Canada the USA and Europe and will be of interest to architects artists researchers and students in architecture architectural history theory cultural theory philosophy and aesthetics Mega-events and

Urban Image Construction Anne-Marie Broudehoux, 2017-02-17 The focus of this book is the influence of mega events in the transformation of image construction practices in their host cities It uses the idea of urban image construction as a lens through which to examine the spectacles of mega events with chapters exploring different themes that compose the imagineering process The physical and social dimensions of these spectacles are addressed as is the emerging resistance to controversial initiatives The book explores the unique conditions of mega event hosting by employing a political economy point of view and focusing the analytical lenses on Rio de Janeiro and Beijing two recent Olympic host cities with immense social inequalities

Festival and Event Tourism Anukrati Sharma, Jeetesh Kumar, Bakhodir Turaev, Priyakrushna Mohanty, 2022-06-24 Festivals and events vary from small neighbourhood celebrations through to mega gatherings and both can be attractive to tourists They come with their own unique challenges and opportunities however which means destinations must carefully consider their responsibility to local people and host them in a sustainable manner Covering important issues such as the marketing branding and promotion of events this book also unravels the opportunities and challenges associated with sustainable festivals and events It uses an array of case studies and a global author team to provide an important resource for tourism and event researchers and professionals

Managing Sport Mega-Events Stephen Frawley, 2016-06-17 Managing Sport Mega Events explores global developments in the management of sport mega events Sport mega events such as the Olympic Games and the Football World Cup have been examined from a number of academic perspectives including history sociology politics urban planning and economics What is lacking however is a book which identifies and evaluates the current issues and complexities faced by those charged with the responsibility of managing these sport mega events This book fills the gap The book addresses three broad but interconnected themes First strategic matters are explored focusing on the rise of sport mega events the management of stakeholders and governance issues Second how organisers can best ensure the sustainable management of sport mega events is considered Third operational matters and related issues are examined including media management broadcast management venue management risk management marketing and sponsorship management The book draws on leading international sport management scholars each of whom has expertise in the organisation of sport mega events It makes a valuable contribution to the existing literature
