FABLES

Name: _____

The Proud Oak

Once upon a time, in a forest, there stood a tall oak tree. He was so tall and strong that he looked down on all the other trees in the forest. He thought he was the best tree in the forest. He thought he was the only tree in the forest. He thought he was the most important tree in the forest.

One day, a storm came. The wind was so strong that it blew the leaves off the trees. The rain was so heavy that it made the ground wet. The oak tree was so proud that he did not care. He thought he was the only tree in the forest. He thought he was the most important tree in the forest. He thought he was the best tree in the forest.

The storm was so strong that it blew the oak tree down. The oak tree was so proud that he did not care. He thought he was the only tree in the forest. He thought he was the most important tree in the forest. He thought he was the best tree in the forest.

Now, the oak tree is no more. The forest is full of other trees. They are all happy and strong. They are all proud of their forest. They are all proud of their oak tree.
