Failing Our Fathers:

Failing Our Fathers Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2015 In *Failing our Fathers* Ron Mincy and his colleagues present a more comprehensive picture of how these men face significant obstacles and explore unintended effects of policies designed to secure financial support for their children the effectiveness of the few policies that have been designed to offer relief

Forgiving Our Fathers and Mothers Leslie Leyland Fields, Jill Hubbard, 2014-01-28 If our families are to flourish we will need to learn and practice ways of forgiving those who have had the greatest impact upon us our mothers and fathers Do you struggle with the deep pain of a broken relationship with a parent Leslie Leyland Fields and Dr Jill Hubbard invite you to walk with them as they explore the following questions What does the Bible say about forgiveness Why must we forgive at all How do we honor those who act dishonorably toward us especially when those people are as influential as our parents Can we ever break free from the sins of our fathers What does forgiveness look like in the lives of real parents and children Does forgiveness mean I have to let an estranged parent back into my life Is it possible to forgive a parent who has passed away Through the authors own compelling personal stories combined with a fresh look at the Scriptures *Forgiving Our Fathers and Mothers* illustrates and instructs in the practice of authentic forgiveness leading you away from hate and hurt toward healing hope and freedom A call to very hard but very vital work of the soul Dr Henry Cloud leadership expert psychologist and best selling author *Forgiving Our Fathers and Mothers* is essential reading for anyone who wants to deal with those hurts in a constructive healing and God honoring manner Jim Daly president Focus on the Family Leslie Leyland Fields and Jill Hubbard take us into raw messy stories so we can be transformed by that mysterious and painful grace in the force called forgiveness Scot McKnight Northern Seminary

Examining the Impact of Trauma Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction

Man Out Andrew L. Yarrow, 2018-09-11 The story of men who are hurting and hurting America by their absence *Man Out* describes the millions of men on the sidelines of life in the United States Many of them have been pushed out of the mainstream because of an economy and society where the odds are stacked

against them others have chosen to be on the outskirts of twenty first century America These men are disconnected from work personal relationships family and children and civic and community life They may be angry at government employers women and the system in general and millions of them have done time in prison and have cast aside many social norms Sadly too many of these men are unsure what it means to be a man in contemporary society Wives or partners reject them children are estranged from them and family friends and neighbors are embarrassed by them Many have disappeared into a netherworld of drugs alcohol poor health loneliness misogyny economic insecurity online gaming pornography other off the grid corners of the internet and a fantasy world of starting their own business or even writing the Great American novel Most of the men described in this book are poorly educated with low incomes and often with very few prospects for rewarding employment They are also disproportionately found among millennials those over 50 and African American men Increasingly however these lost men are discovered even in tony suburbs and throughout the nation It is a myth that men on the outer corners of society are only lower middle class white men dislocated by technology and globalization Unlike those who primarily blame an unjust economy government policies or a culture sanctioning laziness *Man Out* explores the complex interplay between economics and culture It rejects the politically charged dichotomy of seeing such men as either victims or culprits These men are hurting and in turn they are hurting families and hurting America It is essential to address their problems *Man Out* draws on a wide range of data and existing research as well as interviews with several hundred men women and a wide variety of economists and other social scientists social service providers and physicians and with employers through a national online survey and in depth fieldwork in several communities

The Day of days, conducted by C. Bullock Charles Bullock,1882 **Pandemic Prayers** Beth Felker Jones,2021-02-08 This short book of devotional reflections and prayers from Wheaton College theologian Beth Felker Jones was written in March and April of 2020 in the face of the pandemic crisis These twenty five short readings share the love of God and the hope we have in Jesus Christ as we face a time of fear anxiety isolation and suffering The devotions include material from Psalms of Lament Julian of Norwich and reflection on the meaning of Christ s death and resurrection These reflections are a companion for anyone walking through suffering and crisis *I'll Be Right Here* Amy Bloom,2025-06-24 A sweeping intimate novel about an unconventional and irresistible family from the New York Times bestselling author of *In Love White Houses* and *Away* Amy Bloom is at the height of her powers in this epic tale J Courtney Sullivan author of *The Cliffs* A chronicle of ordinary life made extraordinary through the beauty of Bloom s prose and the generosity of her vision Anthony Marra author of *A Constellation of Vital Phenomena* Immigrating alone from Paris to New York after the crucible of World War II young Gazala becomes friends with two spirited sisters Anne and Alma When Gazala s lost beloved brother Samir joins her in Manhattan this contentious inseparable foursome makes their way into the twenty first century becoming the beating heart of a multigenerational found family The passing years are marked by the business of everyday existence and the inevitable surprises of erupting passions

of great and small waves of joy and despair from the beginning of life to its end Gazala and Samir make a home together Anne leaves her husband for his sister and Anne's restless daughter grows up to raise a child on her own and to join a throuple becoming who she wants to be Through it all amid the tumult of these decades the four friends and their best beloveds stand by one another protecting annoying and celebrating themselves steadfastly unapologetic about their desires and the unorthodox family they have created As the next generation falls in and out of love experiencing triumphs mistakes and disappointments the central pillars of their lives are the four indomitable elders they call the Greats In I'll Be Right Here Amy Bloom embraces the complexity and richness of humanity and the lawlessness of love bringing her trademark voice wry humor and compassionate eye to the many often mysterious ways we live as we love and hope to be loved in return *It's a Setup* Timothy Black, Sky Keyes, 2021 The expectation for fathers to be more involved with parenting their children and pitching in at home are higher than ever yet broad social political and economic changes have made it more difficult for low income men to be fathers In *It's a Setup* Timothy Black and Sky Keyes ground a moving and intimate narrative in the political and economic circumstances that shape the lives of low income fathers Based on 138 life history interviews they expose the contradiction that while the norms and expectations of father involvement have changed rapidly within a generation labor force and state support for fathering on the margins has deteriorated Tracking these life histories they move us through the lived experiences of job precarity welfare cuts punitive child support courts public housing neglect and the criminalization of poverty to demonstrate that without transformative systemic change individual determination is not enough Fathers on the social and economic margins are setup to fail **The Revivalist** Joseph Hillman, 1869
