Study Guide Answers
Chapters 1-5

- 1. Using TWO behavioral characteristics apiece, characterize Victor's parents (Alphonse and Caroline). Be sure to include supporting evidence from the text.**
 - Alphonse would be best described as strict and harsh. This description is accurate because on page 24, paragraph three it states, I communicated my discovery to my father. My father looked carelessly at the title page of my book and said, "Ah! Cornelius Agrippa! My dear Victor, do not waste your time upon this; it is sad trash." This statement would have been fine if it was followed by an explanation for his reasoning. However, it was not. Caroline's personality is loving and thoughtful. In this novel when Elizabeth is sick Caroline helps nurse her back to health. Caroline does this even though Elizabeth is contagious; resulting in Caroline's death. Her action shows that she cared more about Elizabeth than herself.
- 2. Explain Elizabeth's background and how she came to be part of the Frankenstein family. Also, explain Victor's perception of her.**
 - Elizabeth's birth parents died causing her to be raised in a foster home. Caroline saw Elizabeth and fell in love with her so she decided to adopt her into the Frankenstein family. Victor loved Elizabeth so much; he thought she was beautiful, kind, smart, and perfect. In the novel it states that Victor thought of Elizabeth as his own to protect, love, and cherish.
- 3. Explain the difference in Victor and Elizabeth's interests, as described in the beginning of chapter 2. What Romantic/ Gothic characteristics are represented?**
 - Elizabeth was calm and had a more concentrated disposition. On the other hand, Victor was capable of more intense application and was more deeply smitten with the thirst of knowledge. Victor's liking for more adventurous things show references of gothic literature and Elizabeth's calm and sweet demeanor added a softer touch to the pair's personality: referencing somewhat of romantic literature. In page 23, paragraph three it states that Victor's temper was sometimes violent and his passion vehement. While the saintly soul of Elizabeth shone like a shrine- dedicated lamp in their peaceful home.
