

FRANKENSTEIN STUDY GUIDE

This study guide IS NOT comprehensive; there will be some material on the test that IS NOT on this study guide. Make sure to study your quizzes and past worksheets. This study guide is worth 20 points!

Fill in the character that fits with each description. Also write whether the character is alive or dead by the end of the novel:

- A. The hideous creation of our protagonist. He is intelligent and sensitive, but his feelings of abandonment compel him to seek revenge against his creator.
- B. The Arctic seafarer to whom Victor is relating his story. He relates Victor's tale to his sister, Margaret Saville, in England.
- C. Victor's childhood friend. His cheerfulness counters Victor's moroseness.
- D. She is raised as Victor's cousin, they later marry. She embodies the novel's motif of passive women, as she waits patiently for Victor's attention.
- E. Her death is the original reason Victor decides to study how to reanimate matter and eventually to stop death altogether.
- F. The Monster learns to speak and read partly because of this woman's education in the same subjects.
- G. His death is the first of many in the novel; he is the adorable and much beloved youngest son of the Frankenstein family.
- H. A young girl adopted into the Frankenstein household. She is executed for a crime that she did not commit.
- I. The protagonist of the novel, he changes from a naive young man fascinated by science into a revenge-driven man who is determined to destroy his creation.

Short answer questions:

- 1. Who is writing Victor Frankenstein's story and why?
- 2. Victor states, "If our impulses were confined to hunger, thirst, and desire, we might be nearly free" (pg. 111). What point is Victor trying to make?
- 3. The symbol of FIRE is introduced in ch. III (pg 119)—what are the two opposite effects that fire can produce and what might fire symbolize?
- 4. The monster learns an important lesson in Chapter V about human nature as he learns about history. What is this lesson (pg. 139)?
- 5. As the monster becomes self-aware, his sorrow increases with knowledge (pg. 140). How does this compare/contrast to Victor's desire from question #2?
- 6. What two characters from *Paradise Lost* does the monster compare himself to in Chapter VII? Why might he compare himself to these two?
- 7. Volume III has plenty of examples of foreshadowing—list one example from the text below and include a quote:
- 8. When Victor believes that he is about to die while floating aimlessly in the ocean, he states: "How mutable are our feelings, and how strange is that clinging love we have of life even in the excess of misery!" (pg. 212) What deeper meaning might this quote hold, for both Victor and the monster?

Frankenstein Study Guide Before You Introduction

In the digital age, access to information has become easier than ever before. The ability to download Frankenstein Study Guide Before You has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Frankenstein Study Guide Before You has opened up a world of possibilities. Downloading Frankenstein Study Guide Before You provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Frankenstein Study Guide Before You has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Frankenstein Study Guide Before You. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Frankenstein Study Guide Before You. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Frankenstein Study Guide Before You, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Frankenstein Study Guide Before You has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
