Handbook on Gender and Health Jasmine Gideon, 2016-05-27 This Handbook brings together a groundbreaking collection of chapters that uses a gender lens to explore health care and health policy in both the Global South and North. Empirical evidence is drawn from a variety of different settings and points to the many ways in which the gendered dimensions of health have become reworked across the globe. This collection includes insightful contributions from 56 leading authorities from Africa, the Americas, Asia, Europe, and the Middle East, offering a wealth of knowledge, theoretical reflection, and empirical detail on the essential elements surrounding gender and health. Topics covered include theoretical approaches to understanding gender and health, migration, sexuality, ageing, masculinities, climate change, and sexual and reproductive rights. Split into four thematic sections, this book strives to develop a clear road map towards achieving gender justice in health. The Handbook on Gender and Health will be an important resource for researchers, students, and instructors of health policy and family and gender studies. Contributors include G. Alvarez, M. E. Ansoléaga, L. Moreno, L. Artazcoz, A. E. Birn, R. A. Burgess, A. Coates, I. Cortés, S. Franch, S. Del Pino, K. Devries, X. D. Berr, L. Doyal, K. Elzein, V. Escobar, B. Eveslage, C. Ewig, J. Education Restated Elliot Regenstein, 2022-07-26 Education Restated: Getting Policy Right on Accountability, Teacher Pay, and School Choice offers the education policy community a roadmap for change in three hot-button policy areas. In each of these areas, policy has been anchored around the wrong core values. By putting the right core values at the heart of policy, state governments can create more favorable conditions for education improvement at the local level. Education Restated takes a pragmatic approach to policy change, recognizing that the forces that created today's policies have not gone away and that on complex issues there are legitimate competing interests. This book harmonizes the best ideas of opposing policy camps and identifies opportunities to strengthen connections between K-12 and early childhood. For advocates seeking common ground with historical adversaries, Education Restated provides some ideas on where they might find it.

Officers Exam 2019 Phase 1 - 3rd Edition Disha Experts,2019-09-06 Between Church and State James W. Fraser,2016-09-15 A fully updated second edition of this essential look at the continuing tensions between religion and American public schools Today the ongoing controversy about the place or lack of place of religion in public schools is a burning issue in the United States Prayer at football games creationism in the classroom the teaching of religion and morals and public funding for private religious schools are just a few of the subjects over which people are skirmishing In Between Church and State historian and pastor James W Fraser shows that these battles have been going on for as long as there have been public schools and argues there has never been any consensus about what the separation of church and state means for American society or about the proper relationship between religion and public education Looking at the difficult question of how private issues of faith can be reconciled with the very public nature of schooling Fraser s classic book paints a complex picture of how a multicultural society struggles to take the deep commitments of people of faith into account including people of many different faiths and no faith In this fully updated second edition Fraser tackles the culture wars adding fresh material on current battles over public funding for private religious schools He also addresses the development of the long simmering evolution creationism debate and explores the tensions surrounding a discussion of religion and the accommodation of an increasingly religiously diverse American student body Between Church and State includes new scholarship on the role of Roger Williams and William Penn in developing early American conceptions of religious liberty It traces the modern expansion of Catholic parochial schools and closely examines the passage of the First Amendment changes in American Indian tribal education the place of religion in Booker T Washington and W E B Du Bois s debates about African American schooling and the rapid growth of Jewish day schools among a community previously known for its deep commitment to secular public education **The English Professor** Margaret R. O'Leary/Dennis S. O'Leary,2016-02-04

Across the span of more than forty years Raphael Dorman O Leary a professor of English rhetoric and English literature taught his students at the University of Kansas to think straight to put sinew into their sentences and to embrace the magnificent literary treasures of their mother tongue *The English Professor* by authors Margaret R O Leary and Dennis S O Leary offers a narrative of the life work and times of a revered Midwestern university English teacher This memoir narrates how the professor born in 1866 was raised on a Kansas farm in the post bellum era Like his father before him he was committed to a life of learning and teaching His colleagues knew him for his unpretentious exterior honesty and integrity and his flashing anger at cheapness vulgarity pretense and above all charlatanism When Professor O Leary died after a short illness in 1936 his personal effects passed through two generations to his grandson Dennis S O Leary who with his wife Margaret discovered his papers while restoring a family house The trove of material served as the core resource for the compilation of *The English Professor* It provides insights into the histories of Kansas and the University of Kansas and of Harvard University as well as perspectives on higher education including the teaching of English rhetoric language literature journalism and oratory in the United States

Malaysian Media Studies: Integrating Perspectives (UM Press) Azizah Hamzah, Amira Firdaus, 2016 This edited volume revisits developments in the field of media education and media studies at a time when society is experiencing a ubiquitous networked digital media environment Rapid advances in media and communication technologies and the accompanying developments in social cultural political and economic realms pose unexpected challenges to the curricula of long established media and communication schools As opposed to rigidly structured nation based mass media systems of the past century the new global media sphere celebrates the breaking down of borders whether spatial cultural or social Today in the second half of the second decade of the 21st century this problem translates into what and how to teach students of media who in all likelihood are more adept media consumers and producers than their teachers In a region where educational institutions and educators don't transform as fast as media technologies do there is a need to problematize and to reflect upon the situation This edited volume examines critical issues related to media studies at local institutions of higher learning and includes a sampling of research charting new directions in local media scholarship Contributions to this edited volume reflect the shared concerns of media educators and researchers in Malaysia and two neighboring countries Indonesia and Thailand Three main themes underscore this volume reflecting their importance to the evolution of media education and to a certain extent research as well Historical development of media education and training Current developments and future trajectories of media education in a globalized digital media environment Analysis of media and society
