It takes a more thoughtful, or "critical" and "creative" person to see the wonder and value that is inherent in the world around us. The world is not just a place to be lived in, it is a place to be explored, to be understood, to be appreciated, and to be enjoyed. It is a place of wonder and awe, of beauty and grace, of love and hope. It is a place where we can find meaning and purpose, where we can grow and learn, where we can be happy and content. It is a place where we can make a difference, where we can leave a legacy, where we can be a blessing to others. It is a place where we can truly live, where we can truly love, where we can truly be.
