

ALLITERATION

Alliteration is when two or more words begin with the same sound.

She **s**ells **seash**ells by the **seash**ore

The trees **s**wayed **s**hyly in the **s**ummer breeze.

Sally's **s**even **s**isters **s**ilently **s**ewed.

Honey Using Alliteration

Richard Danson Brown, J. B. Lethbridge

Honey Using Alliteration:

The Playfulness of Gerard Manley Hopkins Joseph J. Feeney, 2016-03-03 Renowned Hopkins expert Joseph J Feeney SJ offers a fresh take on Gerard Manley Hopkins which shakes our understanding of his poetry and his life and points towards the next phase in Hopkins studies While affirming the received view of Hopkins as a major poet of nature religion and psychology Feeney finds a pervasive rarely noticed playfulness by employing both the theory of play and close reading of his texts This new Hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies comic verse and satires as a Jesuit who played and organized games and had a gift for mimicry and most significantly as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity even strikingly in *The Wreck of the Deutschland* *The Windhover* and the *Terrible Sonnets* Feeney convincingly argues that Hopkins's distinctive playfulness is inextricably bound to his sense of fun his creativity his style and his competitiveness with other poets In unexpected images quirky metaphors strange perspectives puns coinages twisted syntax wordmusic and sprung rhythm we see his playful streak burst forth to adorn those works critics consider his most brilliant No one who absorbs this book's radical readings will ever see and hear Hopkins's poetry and prose quite the way they used to

Wisdom Literature Roland E. Murphy, 1981-11-24 Murphy sees three of the six books Proverbs Job and Ecclesiastes as being technically wisdom literature The others are either love poems or historical narrative that fit well within the context of the subject presented here In this volume previous form critical work is carefully evaluated and the result is a thorough going form critical treatment of this part of the Old Testament The work is enhanced by bibliographies for each Old Testament book and a glossary of general terms

The Milieu and Context of the Wooing Group Susannah M Chewning, 2009-03-01 This book brings together the most current interpretations of the Wooing Group from scholars currently working on the fields of medieval spirituality gender and the anchoritic tradition providing literary theological linguistic and cultural context for the works associated with the Wooing Group a collection of texts in English written by an unknown author in the late twelfth to early thirteenth centuries These works are unique in their context written almost certainly for a group of women living as anchoresses and recluses who were literate in English and were interested in guidance both in spiritual and worldly issues The book discusses and explains the impact and significance of these works and situates them within the continuum of medieval theological and literary culture

Read Me a Rhyme Please Barbara Beyer Malley, 2006-06 *Read Me a Rhyme Please* is designed for two age groups children as yet unable to read and older children who not only can read but can also answer the follow up questions The non readers will enjoy listening to Ernestine Beyer's bouncing melodious rhythms in shorter versions of the poems The older children will enjoy a range of activities related to the complete versions of the poems with help from teachers or caregivers when needed *Read Me a Rhyme Please* is a book that little ones will grow into As the poems become increasingly familiar an enriched vocabulary will seep into their consciousness along with an enduring

appreciation of fine poetry Before long they will be eager to read the entire poems themselves and choose the right answers to the questions The book s amusing illustrations will appeal both to children and their caregivers in school or at home A *concordance to the rhymes of The Faerie Queene* Richard Danson Brown,J. B. Lethbridge,2021-01-26 This book is the first ever concordance to the rhymes of Spenser s epic It gives the reader unparalleled access to the formal nuts and bolts of this massive poem the rhymes which he used to structure its intricate stanzas As well as the main concordance to the rhymes the volume features a wealth of ancillary materials which will be of value to both professional Spenserians and students including distribution lists and an alphabetical listing of all the words in *The Faerie Queene* The volume breaks new ground by including two studies by Richard Danson Brown and J B Lethbridge so that the reader is given provocative analyses alongside the raw data about Spenser as a rhymer Brown considers the reception of rhyme theoretical models and how Spenser s rhymes may be reading for meaning Lethbridge in contrast discusses the formulaic and rhetorical character of the rhymes

Virgil and his Translators Susanna Braund,Zara Martirosova Torlone,2018-10-04 This is the first volume to offer a critical overview of the long and complicated history of translations of Virgil from the early modern period to the present day transcending traditional studies of single translations or particular national traditions in isolation to offer an insightful comparative perspective The twenty nine essays in the collection cover numerous European languages from English French and German to Greek Irish Italian Norwegian Slovenian and Spanish but also look well beyond Europe to include discussion of Brazilian Chinese Esperanto Russian and Turkish translations of Virgil While the opening two contributions lay down a broad theoretical and comparative framework the majority conduct comparisons within a particular language and combine detailed case studies with in depth contextualization and theoretical background showing how the translations discussed are embedded in their own cultures and historical moments The final two essays are written from the perspective of contemporary translators closing out the volume with a profound assessment not only of the influence exerted by the major Roman poet on later literature but also why translation of a canonical author such as Virgil matters not only as a national and transnational cultural phenomenon but as a personal engagement with a literature of enduring power and relevance **New Readings in the Vercelli Book** Samantha Zacher,Andy Orchard,2009-12-15 The late tenth century Vercelli Book Vercelli Biblioteca Capitolare CXVII contains one of the earliest surviving collections of homilies and poetry in the English language The manuscript s combination of poetry and homiletic prose has generated intense scholarly debate and there is no consensus concerning the original purpose of the compiler New Readings in the Vercelli Book addresses central questions concerning the manuscript s intended use mode of compilation and purpose and offers a variety of approaches on such topics as orthography style genre theme and source study The contributors include some of the foremost Vercelli experts as well as the two most recent editors of the homilies The remarkable essays in this volume offer the first sustained literary analysis of both the poetry and prose texts of the Vercelli Book providing important new perspectives on a dynamic and valuable
