I Have Lived A Thousand Years :

I Have Lived a Thousand Years Livia Bitton-Jackson, 2011-11-01 What is death all about What is life all about So wonders thirteen year old Elli Friedmann as she fights for her life in a Nazi concentration camp A remarkable memoir *I Have Lived a Thousand Years* is a story of cruelty and suffering but at the same time a story of hope faith perseverance and love It wasn't long ago that Elli led a normal life that included family friends school and thoughts about boys A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet But these adolescent daydreams quickly darken in March 1944 when the Nazis invade Hungary First Elli can no longer attend school have possessions or talk to her neighbors Then she and her family are forced to leave their house behind to move into a crowded ghetto where privacy becomes a luxury of the past and food becomes a scarcity Her strong will and faith allow Elli to manage and adjust but what she doesn't know is that this is only the beginning The worst is yet to come **Baudelaire in English** Charles
