John Chapter Nine:

The Collegeville Bible Commentary Robert J. Karris, 1992 The Collegeville Bible Commentary is available in an affordable two volume paperback edition Special ease binding allows the volumes to lie open without assistance Perfect for classroom use or personal study An Exegetical Summary of John 1-9 Ronald Trail, 2025-04-04 Each volume in the Exegetical Summaries series works through the original text phrase by phrase English equivalents are provided for all Hebrew and Greek words making this an excellent reference for exegetes of all levels Questions that occur to exegetes as they study the text are stated and then answered by summarizing the ways many scholars have interpreted the text This information should help translators or students in making their own exegetical decisions As a basis for discussion a semi literal translation of the text is given The first question to be answered is the meaning of key words in context Information from standard lexicons is given and then translations of the word are cited from a dozen major Bible versions and from commentaries that offer their own translations of the text Questions about the grammar and discourse structure of the original languages are answered by summarizing the views of many commentators When exegetical disagreements appear in the commentaries and versions the various interpretations are listed This book is not intended to replace the commentaries that are consulted Rather than being a stand alone commentary this book summarizes many important details of exegesis that should be considered in studying the biblical text John 1-10 John Calvin, 1995-07-17 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God **The Book of John** John T. Long, 2019-05-03 Through his personal experiences John shows how he ultimately reached that place of peace and understanding that the world can neither give nor take away Rather than meditating in a cave for twenty years John has taken life head on in outrageous and sometimes unbelievable experiences that led to his awakening This book reads like Hunter S Thompson Wayne Dyer and Jesus debating the meaning of life while bungee jumping blindfolded out of an Apache helicopter backwards and eating sushi together The reader will be shocked crying and then laughing uncontrollably over his strange and wonderful life full of hardship supernatural experiences and spiritual epiphanies The story moves along at a good pace and just when the reader thinks that he she knows what is going to happen next something out of the blue occurs Lots of suspense and surprise and wonder John tells the story in the present tense That gives it a sense of immediacy The humorous touches throughout are great They balance out the sad stories in a yin yang kind of way John's voice in the prose is clear and persuasive The reader can hear him saying these words sitting as if right next to them Too many writers try to

generate an authorial voice and end up sounding contrived This book on the other hand clearly comes from the heart It peels back layers of mystery yet never goes so far afield that the reader cannot follow It is a journey the reader will love taking This book will kick off the reader's year in the right direction leaving them feeling uplifted lighter and exploding into a million pieces of joy Identify subconscious programs running in the background of your mind Delete those programs Install a new operating system
