*the Saints: Paul's Letter to the Church at Philippi* Rebecca Minelga, 2016-10-26 In the more intimate vein of personal Bible study and commentary pioneered by Beth Moore lay aside the staid and sometimes boring vision of Paul as an early church patriarch and instead explore an in depth study of the historical political and social traditions from which he wrote to understand the ways in which his own journey was being impacted even as he traveled and ministered to others Far from being tedious as he so often seems Paul was passionate eloquent politically discerning and utterly human Through extensive exegetical study and personal narrative Paul's life becomes a compelling example by which to live and his words to the Philippians become one of God's greatest love letters to His church      *The Living Church* ,1994
