The WIC Newsletter of the Center on Budget and Policy Priorities, 1992 **Samuel Wilderspin and the Infant School Movement** Phillip McCann, Francis A. Young, 2016-11-10 Samuel Wilderspin became a household name in his own lifetime Befriended by Dickens lampooned by Cruikshank his achievements discussed in Parliament he was one of the best known educators of the 1830s and 1840s However Wilderspin s consistent opposition to denominational education combined with his liberal and advanced views made him unpopular with the Establishment Samuel Wilderspin s fame declined after his retirement in 1847 but his reputation as an infant school educator has survived Many of his ideas and practices have had a great influence on infant education In this book first published in 1982 Wilderspin s own story is placed in the context of this growing movement led by Owen Buchanan and Oberlin and it goes a long way towards reinstating him as one of the prominent figures in the early education movement This title will be of interest to students of history and education

Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Children and Youth, 1972 **Annual Report** United States. digital PDF format on Google Books **The Birth Certificate** Susan J. Pearson, 2021-10-27 For many Americans the birth certificate is a mundane piece of paper unearthed from deep storage when applying for a driver's license, verifying information for new employers or claiming state and federal benefits. Yet as Donald Trump and his fellow birthers reminded us when they claimed that Barack Obama wasn't an American citizen, it plays a central role in determining identity and citizenship. In *The Birth Certificate*, an American History award-winning historian, Susan J. Pearson traces the document's two hundred-year history to explain when, how, and why birth certificates came to matter so much in the United States. Deftly weaving together social, political, and legal history, *The Birth Certificate* is a fascinating biography of a piece of paper that grounds our understanding of how those who live in the United States are considered Americans. **Protecting Children's Privacy in an Electronic World** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Manufacturing, and Trade, 2012 **WHO Pharmaceuticals Newsletter** World Health Organization, 2022-09-30
