Literature And Gender:

Literature and Gender Lizbeth Goodman, 1996 Video contains performance of Ibsen's A Doll's House **LITERATURE, GENDER, SPACE** Beatriz Domínguez García, Sonia Villegas López, 2021-09-11 Perhaps the most serious challenge that the present volume offers to the latest literature on the topic is the reflection on gender space and literature from the perspective of masculinity a position which has been no doubt neglected by many years of feminist debate concentrating on women's positions and circumstances This is specifically one of the novelties that the International Conference on Gendered Spaces celebrated in May 2001 at the University of Huelva from which this work springs introduced The articles collected here constitute a selection of the most relevant contributions made at this Conference *Literature and Gender* Elizabeth Primamore, Dolores DeLuise, 2011 This book introduces students to gender by having them read discuss and write about gender related topics It features contemporary as well as classic literature with a global perspective Each section is introduced by broad overviews of the subject authors biographies short introductions to each work the works themselves and selections of study questions **Literature and Gender** Lizbeth Goodman, 2013-04-15 Literature and Gender combines an introduction to and an anthology of literary texts which powerfully demonstrate the relevance of gender issues to the study of literature The volume covers all three major literary genres poetry fiction and drama and closely examines a wide range of themes including femininity versus creativity in women's lives and writing the construction of female characters autobiography and fiction the gendering of language the interaction of race class and gender within writing reading and interpretation Literature and Gender is also a superb resource of primary texts and includes writing by Sappho Emily Dickinson Sylvia Plath Tennyson Elizabeth Bishop Louisa May Alcott Virginia Woolf Jamaica Kincaid Charlotte Perkins Gilman Susan Glaspell Also reproduced are essential essays by among others Maya Angelou Sandra Gilbert and Susan Gubar Toni Morrison Elaine Showalter and Alice Walker No other book on this subject provides an anthology introduction and critical reader in one volume Literature and Gender is the ideal guide for any student new to this field Women in Literature Jerilyn Fisher, Ellen S. Silber, 2003 **Gender in American Literature and Culture** Jean M. Lutes, Jennifer Travis, 2021-04-15 Gender in American Literature and Culture introduces readers to key developments in gender studies and American literary criticism It offers nuanced readings of literary conventions and genres from early American writings to the present and moves beyond inflexible categories of masculinity and femininity that have reinforced misleading assumptions about public and private spaces domesticity individualism and community The book also demonstrates how rigid inscriptions of gender have perpetuated a legacy of violence and exclusion in the United States Responding to a sense of 21st century cultural and political crisis it illuminates the literary histories and cultural imaginaries that have set the stage for urgent contemporary debates **Impact of gender studies on English literature** Kem Kuliye, 2020-11-06 Seminar paper from the year 2020 in the subject Literature Comparative Literature grade 1.0 University of Bremen language English abstract Gender Studies

have influenced not only our typical sociological cultural and political pattern but also the narrative Theory and the understanding of traditional literary movements which has led to the opening of traditional canons and the appearance of queer narratology Kilian does an excellent job of pointing out essential terms such as heteronormativity or hegemonic masculinity and illustrating the effects these have had on individuals and our society Furthermore she clarifies the difference between sex and gender indicating gender identity s performance based on gender markers Familiarising oneself with all of these topics is vital if one would like to understand many social cultural structures and the dominance of white heterosexual men in our society After their publication stories are re read forgotten rediscovered through intertextual referencing rewriting or social debates The basic process of memory in culture Literary stories are never fully finished since they are continually actualized discussed and perceived anew Firstly different social actors have various views and perspectives on literary works which are often influenced by societal changes

Girls, Boys, Books, Toys Beverly Lyon Clark, Margaret R. Higonnet, 2000-10-24 No previous collection of criticism has focused on gender in the broad range of children s literature No previous collection has embraced both children s literature and material culture Beverly Lyon Clark and Margaret R Higonnet bring together twenty two scholars to look closely at the complexities of children s culture Girls Boys Books Toys asks questions about how the gender symbolism of children s culture is constructed and resisted What happens when women rewrite or illustrate nursery rhymes adventure stories and fairy tales told by men How do the socially scripted plots for boys and girls change through time and across cultures Have critics been blind to what women write about masculine topics Can animal tales or doll stories displace tired commonplaces about gender race and class Can different critical approaches new historicism narratology or postcolonialism enable us to gain leverage on the different implications of gender age race and class in our readings of children s books and children s culture

Literature, Gender and Politics During the English Civil War Diane Purkiss, 2005-07-14 In this innovative study Diane Purkiss illuminates the role of gender in the English Civil War by focusing on ideas of masculinity rather than on the role of women which has hitherto received more attention Historians have tended to emphasise a model of human action in the Civil War based on the idea of the human self as rational animal Purkiss reveals the irrational ideological forces governing the way seventeenth century writers understood the state the monarchy the battlefield and the epic hero in relation to contested contemporary ideas of masculinity She analyses the writings of Marvell Waller Herrick and the Caroline elegists as well as in newsbooks and pamphlets and pays particular attention to Milton s complex responses to the dilemmas of male identity This study will appeal to scholars of seventeenth century literature as well as those working in intellectual history and the history of gender

Riding the Black Ram Susan Heinzelman, 2010-02-25 Unruly women are not often represented in a good light Whether historical or fictional disruptive women with their real or imagined excesses have long provided the material for literary and legal narratives This probing new work analyzes a series of literary legal and historical texts to demonstrate the persistence of certain gender stereotypes

In her 1820 adultery trial Queen Caroline was depicted in a cartoon riding into the House of Lords on a black ram that had the face of her Italian lover As this book reveals a number of women remembered largely for their insubordinate presence have metaphorically ridden the black ram in the last 700 years Heinzelman's historicized understanding of the relationship between law and literature reveals a disquieting pattern in the legal and literary representations of women and provides a new recognition of the significance of sexuality and gender in the way we narrate our world **Gender(ed) Identities**

Tricia Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children's and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children's and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II's central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster *Divergent* series trace reproduce and shape gendered identity socialization In section III the essential literary function of translating trauma into narrative is addressed in classics like *Anne of Green Gables* and *Pollyanna* as well as more recent works Section IV's focus on sexuality and romance encompasses fiction and nonfiction works examining how children's and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance Last Section IV offers new readings of paratextual features in literature for children from the classic tale of *Cinderella* to contemporary illustrated novels The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children's and YA literature gender sexuality and women's studies and a range of other disciplines **Literature and Gender** Robyn Wiegman, Elena Glasberg, 1999 This anthology brings together an assortment of texts from various genres that explore the links between cultural beliefs social institutions sexual roles and personal identity A diverse group of voices and perspectives is assembled from classic authors to contemporary writers

Gender and Genre in Medieval French Literature Simon Gaunt, 1995-05-11 Wide ranging study of gender and the underlying ideologies of Old French and Occitan literature **Literature, Gender, and the Trauma of Partition** Debali Mookerjee-Leonard, 2017-04-07 Partition occurring simultaneously with British decolonization of the Indian subcontinent led to the formation of independent India and Pakistan While the political and communal aspects of the Partition have received some attention its enormous personal and psychological costs have been mostly glossed over particularly when it comes to the splitting of Bengal The memory of this historical ordeal has been preserved in literary archives and these archives are still being excavated This book examines neglected narratives of the Partition of India in 1947 to study the traces left by this

foundational trauma on the national and regional cultural imaginaries in India Pakistan and Bangladesh To arrive at a more complex understanding of how Partition experiences of violence migration and displacement shaped postcolonial societies and subjectivities in South Asia the author analyses through novels and short stories multiple cartographies of disorientation and anxiety in the post Partition period The book illuminates how contingencies of political geography cut across personal and collective histories and how these intersections are variously marked and mediated by literature Examining works composed in Bengali and other South Asian languages this book seeks to broaden and complicate existing conceptions of what constitutes the Partition literary archive A valuable addition to the growing field of Partition studies this book will be of interest to scholars of South Asian history gender studies and literature

Telling Tales Elizabeth Langland, 2002 Publisher's description *Telling Tales* offers new and original readings of novels by Charlotte Bront Anne Bront Thomas Hardy Margaret Oliphant and Mary Elizabeth Braddon It also presents new archival material on the lives and stories of working class women in Victorian Britain Finally it sets forth innovative interpretations of the complex ways in which gender informs the abstract cultural narratives like space aesthetic value and nationality through which a populace comes to know and position itself Focusing on the interrelations of form gender and culture in narratives of the Victorian period *Telling Tales* explores the close interplay between gender as manifest in specific literary works and gender as manifest in Victorian culture The latter does not reflect a shift away from form toward culture but rather a steady concern of form in culture Reading and analyzing Victorian novels provides an education for reading and interpreting the broader culture The book's several chapters explore and pose answers to important questions about the impact of gender on narrative in Victorian culture How do women writers respond to themes and narrative structures of precursor male writers What are the very real differences that shape a newly emerging tradition of female authorship How does gender enter into the determination of aesthetic value How does gender enter into the national imaginary 3 4 the idea of Englishness In exploring these key concerns *Telling Tales* establishes a broad terrain for future inquiries that take gender as an organizing term and principle for analysis of narratives in all periods

Defining Genre and Gender in Latin Literature Garth Tissol, William Wendell Batstone, 2005 The Roman confrontation and assimilation of Greek literature entailed a scrutiny critique and adaptation of generic assumptions This book considers the ways in which major genres among them comedy lyric elegy epic and the novel were redefined to accommodate Roman concerns and the ways in which gender plays a role in generic definition and authorial self definition Both of these areas of research have been important to William S Anderson throughout his career This collection of essays by his students helps readers to understand the nature of Roman literary self definition as it honors Professor Anderson's own achievements in this field

Literature, Gender, and Nation-Building in Nineteenth-Century Egypt M. Hatem, 2011-04-11 This book examines how the process of nation building in Egypt helped transform Egypt from an Ottoman province to an Arabic speaking national community Through the discussion of the life and works of the prominent writer Aisha Taymur

Hatem gives insight into how literature and the changing gender roles of women and men contributed to the definition and or development of a sense of community *Literature, Gender and Politics in Britain During the War for America, 1770-1785*
