Garner,2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries 200 replacement entries and thoroughly updated usage data this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing *Garner's Modern English Usage* Bryan Garner,2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner's Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you're sure to learn from every single page of this book *Revision* Alice Horning,Anne Becker,2006-05-22 Explores the wide range of scholarship on revision while bringing new light to bear on enduring questions in composition and rhetoric *Garner's Modern American Usage* Bryan Garner,2009-07-28 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout

GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none The British National Bibliography Arthur James Wells,2009
