Monster Hunter: World - Strategy Guide GamerGuides.com, This guide features a full beginning to end walkthrough
written in an ideal chronological order of events format Main quests are interspersed with side quests in the order in which
they unlock although some side quests and arena challenges may only be referenced instead of fully explained These are
typically quests that have you facing a monster you've already fought under similar circumstances that offer no unique
reward for completion For example after completing most main quests you won't be able to attempt that quest again but you
ll usually unlock an identical side quest allowing you to hunt the same monster in the same area with the same success
failure conditions Monster strategies will be discussed in detail as you encounter them throughout the walkthrough featuring
elemental and status information and drop lists The guide also features a fully detailed bestiary for those who just want
information about specific monsters unaccompanied by a walkthrough Trophy achievement information can also be found in
a separate trophy achievement guide although be warned many trophies achievements in Monster Hunter World are easier
said than done Other features of this guide include Information on crafting harvesting Side quests that unlock mantles
ingredients and other useful features Field Researcher quests including where to catch rare fish how to capture small
