**Intensive vs. Extensive Approaches in Foreign Language Teaching** Carmen Neagu, 2023-01-22 The purpose of this theoretical and experimental paper is to clarify the influence of an extensive learning program on high school students language comprehension and attitude towards reading The experiment was administered throughout a school semester with a control group following the intensive approach and an experimental group subject to the extensive approach The

intervention of the experiment was represented by the two teaching approaches extensive vs intensive whereas the measured outcome consisted in the learners changes in language proficiency and attitude towards reading Since both intensive and extensive approaches are necessary in order to prepare students for college tasks the senior high school period is an ideal moment to start introducing extensive language programs as a means of achieving and not substituting the communicative competence Furthermore the reading habit will outlast and accompany students as a lifelong second nature **Reading in a Second Language** A.H. Urquhart, Cyril J. Weir, 2014-06-06 Reading in a Second Language sets the testing and teaching of reading against a theoretical background discussing research from both applied linguistics and cognitive psychology Where possible it focuses on research into second language readers and distinguishes different kinds of reading particularly expeditious as opposed to careful reading and emphasizes the validity of each Sandy Urquhart and Cyril Weir relate testing and teaching discussing similarities and differences providing a comprehensive survey of both methods with the emphasis on those which have been substantiated or supported by research evidence Finally the book proposes specific research topics and detailed advice on how to construct tests of language for academic purposes and suggestions for further research
