Organisations continually use integrated marketing communications to achieve a competitive advantage and meet their marketing objectives. This 5th edition of Integrated Marketing Communications emphasises digital and interactive marketing, the most dynamic and crucial components to a successful IMC campaign today. Incorporating the most up-to-date theories and practice, this text clearly explains and demonstrates how to best select and co-ordinate all of a brand's marketing communications elements to effectively engage the target market. Chapters adopt an integrative approach to examine marketing communications from both a consumer's and marketer's perspective. With a new chapter on digital and social marketing addressing the development of interactive media in IMC and new IMC profiles featuring Australian marketers along with a wide range of local and global examples including Spotify, Pandora, Snapchat, Palace Cinemas, Woolworths, KFC, Old Spice, Telstra, Colgate and QANTAS, this text has never been so relevant for students studying IMC today. Unique to the text is a series of new student and instructor IMC videos showing students how key objectives in IMC theory are applied by real businesses.
