No workings shown for an incorrect share premium figure, award no marks for the figure, but 1 mark if own figure recorded in the share premium column.

Exception to this is where the student has not calculated the number of shares, eg if they show £60 000 for share premium in the share premium column – award 4 marks. If £60 000 for share premium is the wrong column this should be awarded 3 marks.

Please check that dividends are deducted in the statement.
