Reset: Rethinking Our World And Creating A Different Future Philipp Kristian Diekhoner, 2021-06-04 Everybody has a plan until they don't Approaching the dawn of a new decade global sentiment in the 2020s was brimming with optimism We would embrace the future of work transform digitally learn to live and breathe agility and defeat climate change at scale What new year's resolutions lack is specificity 2020 turned out far beyond anyone's expectations For once the prophecy of profound change was accurate except nobody expected it to arrive in the form of a global crisis like few before it That wasn't what we asked for Where does that leave us The pandemic forced us to adapt markedly in the short term Its long term effects will be even more profound Much of the transformation happening now has been long overdue We're approaching a global turning point This is our opportunity to finally realise pivotal changes we always knew mattered It's time we reach beyond the obvious The new normal presents a valuable opportunity to question deeper and more pervasively the way things are When we do we'll make evolutionary leaps towards a new and better normal Humankind doesn't just survive adversity it thrives on the necessary adaptation that comes with it Big changes can become catalysts for a better world What might that world be like Signs of the new are already all around us The transformation we're amidst will be more meaningful and universal than anything else we've experienced in our lifetimes It's time we press RESET and start afresh This is the story of how the 2020s will change modern humanity forever Let's rewrite our future together Related Links [The North American Whiskey Guide from Behind the Bar](#) Chad Berkey, Jeremy LeBlanc, 2014-12-09 A Must Have Guide for Every Whiskey Lover Whiskey has become one of the most popular spirits and with so many different kinds it's hard to keep track of them all and select great new ones to try With reviews of 250 different whiskeys the historical background of each type 30 of the best cocktail recipes and even the perfect cigar pairing this guide has everything a person needs to find some of the most interesting whiskeys available Chad Berkey is the general manager of The Aero Club Bar in San Diego which boasts one of the largest collections of whiskey of any bar in America with over 900 different kinds With his help you'll discover the best whiskeys to try many that won't break the bank Top bartenders blind taste tested every whiskey so you get real honest comments for each listing Not only will this help you find whiskey similar to ones you already like but it will also allow you to pick the best tasting whiskey for your palate and preference Packed with all the information you'll ever need on whiskey this book is what every whiskey enthusiast should have in their library [The Social Fact](#) John P. Wihbey, 2019-04-16 How the structure of news information and knowledge is evolving and how news media can foster social connection While the public believes that journalism remains crucial for democracy there is a general sense that the news media are performing this role poorly In *The Social Fact* John Wihbey makes the case that journalism can better serve democracy by focusing on ways of fostering social connection Wihbey explores how the structure of news information and knowledge and their flow through society are changing and he considers ways in which news media can demonstrate the highest possible societal value in the

context of these changes Wihbey examines network science as well as the interplay between information and communications technologies ICTs and the structure of knowledge in society He discusses the underlying patterns that characterize our increasingly networked world of information with its viral phenomena and whiplash inducing trends its extremes and surprises How can the traditional media world be reconciled with the world of social peer to peer platforms crowdsourcing and user generated content Wihbey outlines a synthesis for news producers and advocates innovation in approach form and purpose The Social Fact provides a valuable framework for doing audience engaged media work of many kinds in our networked hybrid media environment It will be of interest to all those concerned about the future of news and public affairs **BITE: Recipes for Remarkable Research** ,2014-01-01 FREELY AVAILABLE ONLINE AS OPEN ACCESS BOOK BITE Recipes for remarkable research is an edited field book capturing the research learning and experiences of an international network of scholars studying effective and creative research environments The book encapsulates what it is that enables remarkable research and offers as Professor Lizbeth Goodman says practical evidence based instantiations of ideas and innovations as well as theoretical knowledge It is set out as a recipe book with supporting academic papers and case studies The recipes present research and advice from a wide range of subject areas in an instantly recognisable format Each recipe enables the reader to take practical steps to understand and develop their own research at all levels from personal solo work and group collaborations to an institutional and architectural dimension Whether you are a PhD student early career researcher professor or decision maker these recipes case studies and papers invite you to consider research habits approaches and environments in interesting and different ways **Iconic Spirits** Mark Spivak,2012-11-06 Over the past decade the cocktail culture has exploded across America Bars and lounges have become the Broadway theater of mixology with bartenders resurrecting classic pre Prohibition cocktails and dazzling customers with their creations Consumers in turn are recreating these cocktails at home and spending unprecedented amounts on upscale bar gear With more and more emphasis on quality ingredients the number of small batch spirits is increasing all the time and craft distilling has become popular as an offshoot of the locavore movement In Iconic Spirits Mark Spivak wine and spirits guru and host of the NPR show Uncorked explores the history and cultural significance of twelve iconic spirits and reveals how moonshine invented NASCAR how gin almost toppled the British Empire how a drink that tastes like castor oil flavored with tree bark became one of the sexiest things on earth how cognac became the it drink of hip hop culture and much more To top it all off Spivak then offers the most tantalizing cocktail recipes from the era in which each spirit was invented **Atlas** William D. Michalek,2021-04-21 Atlas By William D Michalek What happens when a case of industrial espionage goes terribly wrong As two massive defense companies compete for a desperately needed high profile contract worth billions one of them decides to secretly hinder their competitors critical demonstration resulting in an unexpected disaster Dogged by the quirky but brilliant FBI Special Agent Lena Forde and her eternally handsome hacker partner Tim Chow the slope starts slippery and
