kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the  
nations Deut 17 14 but he shapes the monarchy according to his covenant A key question remains does God s allowance for a  
king like all the nations include a king priest model This study presents a synchronic view of the king as a priest within the  
MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom  
the narrator describes as both king 1 Sam 2 10 and priest 2 35 36 This study will argue that from the monarchy s inception  
Yahweh considered Israel s kingship a sacral task My study examined the king as a priest through a synchronic literary  
theological approach
