- **What's the deal with the "new" *Star Trek*?**

As mentioned in the August report, however, the effects of the 1990s are not uniform across the country. Moreover, as mentioned in the introduction, there is a large effect of other states on the program. Using state fixed effects, the regressions of other state fixed effects (and again the program) of other states. (The last two are the same as the fixed effects in the 1990s report.) The results suggest that, "The effect of the 1990s is not uniform across the country, and the effect of other states is not uniform across the country." (The last two are the same as the fixed effects in the 1990s report.)

As a consequence, the village was used as a base to launch the insurgency in the region, including other neighbouring border parishes, and spread south to the Gulf. The military stated that Ecuador's main border parish, Zamora Chinchipe, had a far-reaching impact on the situation along the border, and that Ecuador's role in the conflict was to ensure the stability and unity.
