Changing Faces Darrel Dabbs,2012-06 I came into this world Sean John Marshall I am twenty seven years old and was born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all around entrepreneur But all of my pursuits came to an abrupt halt when I was consumed by a life of crime For so long I became a part of a problem Growing up in and around the streets Ive caused much destruction in my lifetime Ive been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life s focus is to inspire teach uplift and mend I now use life s experiences to grow and learn I feel obligated to pass on all the insight and knowledge I ve obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I ve seen darker truths that people need not witness themselves I ve walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I ve made I will have done my part I will have at least saved one soul from having to suffer the afflictions I ve faced And for that reason alone I write And for that reason alone I ll forever share my truths Colophon

Views from the Streets Roberto Aspholm,2020-02-04 Chicago has long served as a symbol of urban pathology in the public imagination The city s staggering levels of violence and entrenched gang culture occupy a central place in the national discourse yet remain poorly understood and are often stereotyped Views from the Streets explains the dramatic transformation of black street gangs on Chicago s South Side during the early twenty first century shedding new light on why gang violence persists and what might be done to address it Drawing on years of community work and in depth interviews with gang members Roberto R Aspholm describes in vivid detail the internal rebellions that shattered the city s infamous corporate style African American street gangs He explores how in the wake of these uprisings young gang members have radically refashioned gang culture and organization on Chicago s South Side rejecting traditional hierarchies and ideologies and instead embracing a fierce ethos of personal autonomy that has made contemporary gang violence increasingly spontaneous and unregulated In calling attention to the historical context of these issues and to the elements of resistance embedded in Chicago s contemporary gang culture Aspholm challenges conventional views of gang members as inherently pathological He critically analyzes highly touted universal violence prevention strategies depicting street level realities to illuminate why they have ultimately failed to reduce levels of bloodshed An unprecedented analysis of the nature and meaning of gang violence Views from the Streets proposes an alternative framework for addressing the seemingly intractable issues of inequality despair and violence in Chicago
