Essay Question Number 3

The "American Century" is the name of the Twentieth Century (1900-1999). It is called the "American Century" because it is the century that made America the way it is today. This Century shaped the U.S. into a materialistic and consumerism society and is marked as an era of beginnings and endings. From Industrialism to Culture and everything in between this Century changed the whole way the U.S. works and is.

When Industrialism advanced and more inventions were being made, the U.S. became powered by the Economy and we became known as the "Economy of the World". Also, our culture was really created during this century. Music and Movies and Entertainment was created and discovered, as well as sports.

Because of the advance technology, this century became known as the bloodiest century, especially during WWII and the Cold War. When WWII started tanks and planes and guns had really improved allowing the U.S. to have a better advantage than others. We saw many deadly wars take place in this century; Vietnam War, WWI, WWII. Many major events took place in this century that changed so much of America; the Great Depression, the Baby Boom, the Progressive Movement, and the Civil Rights Movement. After the Baby Boom the U.S. truly did become "Affluenza".

Without the "American Century" today would be a completely different world. The way we function and live would not be anything like it is. I guess you could say that changes and
