7th Grade Science: Final Review Packet, 2012, Answer Key ©

Purpose: Your final exam is cumulative, which means it covers material from the whole year. This is not to torture you, it is to reinforce the main ideas, many of which you'll need next year, and give you a chance to demonstrate that you meet all the standards. We'll go over everything in this review packet together, and your exam questions will only come from this review packet. If you pay attention in class & complete the packet assignments, you'll be right as rain.

Suggestion: You can write your answers/notes in your notebook, or if you want, you can get a copy from homework online, save it to your own jump drive or home computer, put in a bunch of spaces and then print a copy you can write on as we go. ☺
