How to write a perfect PEEL paragraph

Question: Did the German people resent the Treaty of Versailles?

Just state the **factor / reason** that you are discussing in that paragraph and **link to the question**.

Point: "The German people resented the Treaty of Versailles was because of **army restrictions**".

Evidence must be **precise** (e.g., names, dates, places, people, events, statistics, definitions) and **relevant** (e.g., multiple facts per paragraph).

Example: Reduced to **100,000 men**, only **6 battleships** were allowed. **Conscription** was **banned**. The army had **no high command**. **Submarines** were not allowed and the **Rhineland**, an area close to the **French border**, was **demilitarized**.

Explanation: The explanation must offer a developed **explanation** of **why** the point answers the question. The resentment amongst the German people **because** army restrictions left the country in an **inferior** position in terms of defense. The small army size **made it** impossible to secure the border and the **lack of a high command** **meant that** the people felt made an attack more likely. Restrictions at sea **meant that** the superior navies of the **other powers** could easily overpower them, and the lack of a high command **meant that** the small army could not defend itself effectively.

Conclusion: **Summarize** the explanation and **link back to the question**.

Example: "The German people resented the army restrictions of the Treaty of Versailles because it **made the country vulnerable to attack** against a range of enemies."

The judgment should be based on the evidence. The **judgment** should be a **statement**, just state **whether you agree or disagree** with the statement in the question.

This is a **debate question**. The answer must include **evidence** from both sides of the argument. **PEEL for & 1 x PEEL against**. The **conclusion** should be a **statement** in the question.

Your conclusion should be a **statement** with a **good reason why** your judgment is correct or incorrect. It should be **convincing**.
