Glover Jr.,2015-04-02 Have you ever wondered how crop circles came to be who made it and what those symbols formed could mean Do aliens and other beings other than us exist These questions keep on lingering since time immemorial yet answers to these queries are never achieved When two huge crop circles were created simultaneously in just one night by a bigfoot in Dorchester England and Kansas investigations from both the United States and England were made Dr Jane Nixon and her team led the investigation in the US while Prof Sheridan and Fallon in UK both groups are crop formation experts in their respective countries Meanwhile Mike and John Williams who witnessed the intense light from the sky carves the crop circle in a wheat field in Dorchester England and the Bigfoot who appeared out of the lights became the main suspects and both were locked up However the following night more crop formations were created all over the world which ignited panic across the globe resulting in predictions of the end of the world Fearing that their anomalies may be revealed the governments of both countries conspired to suppress the information on the crop

formations and decided to seize the investigations of both crop formation experts and rounded up all known witnesses While the government failed to exterminate Dr Nixon She and her team commenced on their mission to solve the mystery in the hopes of finding out the truth and possibly save humanity Journey through the different historical sites in the world including the Great Pyramid of Egypt and the Incan and Mayan temples and other ancient sites and unveil the mysteries of the Annunaki Uncover the enigma of the universe that has long been shrouding the truth as you continue to read The Crop Circles The Return of the Annunaki *Mountain Melody* Peggy Gaddis,2013-12-30 Crossways was a luxurious hunting and fishing lodge in the Blue Ridge Mountains owned and operated by Judge Bramblett The judge retired from the bench was assisted by his two granddaughters Cherry a pretty redhead with a warm outgoing personality who loved the world and all its creatures and her older sister Loyce depressed and withdrawn since the death of her fianc fourteen months before Although the two sisters were superficially as different as night and day they had at least some tastes in common as demonstrated by their mutual interest in Jonathan Gayle Jonathan a lawyer from the north who was visiting the Lodge for an indefinite vacation period while he reassessed his future was attractive with the charm of the unfamiliar and with the appeal of the temporary wayfarer In addition he had known Loyce s dead sweetheart But which sister would steal his heart Sensuality Level Behind Closed Doors You Name It, Formerly The Record Girls Friendly Society,1905 Hearings Before the Subcommittee on Public Buildings and Grounds of the Committee on Public Works, House of Representatives ...
