I Have Ears:

Listen If You Have Ears Neil D. Garguilo,2024-09-11 Listen If You Have Ears is a compelling and inspiring historical novel of love forgiveness and redemption It follows the story of Ari and how he became a lion for Jesus and helped spread the good news of the Gospel It is also a story of love between Ari and his beautiful Monica Follow along on Saint Paul s second missionary journey Ari traveled to many of the famous cities of Greece and Asia Minor to spread that Jesus Christ was Lord Saint Paul taught him about the life and death of Jesus and how He was the Son of God Ari became an insightful oratory but his main gift was that of healing But how did Ari come to this state in his life How did he become such an advocate for the good news of Jesus Christ What happened to change Ari so that his heart was open to accept Jesus as the Way the Truth and the Life Uncover this fascinating story as you read Listen If You Have Ears **The Five Minute Bible** BookCaps Study Guides Staff,2012-10-17 **The Garden Magazine** ,1907 **On Being the Church of Jesus Christ in Tumultuous**

Times Joe R. Jones,2005-08-22 This collection of essays sermons and prayers urges the church today to be the sort of community that sustains a vigorous and continuing conversation within itself as to who has called it into being to whom it is responsible and what it is called to be and to do Jones reminds the church that it is an alternative political community called into being by the Gospel This collection explores what it means to be such an alternative community in tumultuous times in times when it is tempting to look to the world for answers and to confuse loyalty to the nation state with loyalty to God A theme throughout all the writings is that the church is the necessary context for becoming and being a Christian

The Works of William Perkins, Volume 4 William Perkins,2017-03-25 This fourth volume contains two treatises of biblical exposition The first treatise is A Godly and Learned Exposition upon the Whole Epistle of Jude Finding the purpose of Jude s letter in verse 3 Perkins calls for all Christians to persevere in professing the gospel by taking heed of false teachers and deceivers who seek to infiltrate the church While many of his points of application reflect a context peculiar to the Elizabethan era his insights into what it means to contend for the faith still prove applicable today The second treatise is A Godly and Learned Exposition or Commentary upon the Three First Chapters of Revelation giving careful consideration of the seven letters to the seven churches of Asia Perkins highlights the person of Christ and His significance to the church focuses on what Christ approves and rebukes about the condition of the church and emphasizes Christ s bounty and humanity s duty Troubled by the prevalence of those who accept empty profession as conversion and dead formality as godliness Perkins urges his audience to move beyond mere intellectual assent to heartfelt dedication to Christ Viviana Valentine and the Ticking Clock Emily J. The book you hold in your hand or you are just ordering from an online store is a unique book It is the first book by the contemporary mystic Osho At the beginning of his public life Osho who is at that time a professor of philosophy at Jabalpur University introduces people to a new and unique understanding of meditation during experiential meditation camps He speaks to the participants and responds to questions This book is the first published records of Osho s first meditation camp in Rajasthan India In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications but the essential message is already available in this book Osho speaks to the individual not to a collective not the abstract collective of humanity or a collective defined by religion or nationality or race but to individuals as the core element of existence We used one of his opening comments as a longer quote on the front cover of the book as it seem so important The individual is the unit of the whole and it is through him that both evolution and revolution can take place You are that unit Osho mentions this book on several occasions in his later talks When the second prime minister of India traveled to Russia a copy of The Perfect Way was with him And when someone in contact with Osho at the age of ninety stumbled upon The Perfect Way he commented All my learning of the scriptures was futile only this small book is enough In The Perfect Way the reader meets a human being who knows but who also knows how to convey what he knows His genius in full flight he points us as far as one can with words toward the inner world of the self toward the zone of silence What starts on a hot summer day in the early 1960 s will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness one which will eventually transform the lives of millions of people all over the world To
