01

## Introduction

This guide has been produced to help you as a candidate become familiar with using answer booklets in IB Diploma Programme examinations.

### What do the answer booklets look like?

There are four-page and eight-page answer booklets; the first page of each type provides you with instructions on how to use the booklet. On the first page of every booklet there are boxes in which to indicate your session number. The remaining pages are for you to write your answers to examination questions; please remember to write your answers on the lines, keeping within the large pink box on each page. Beside the lines for your answers are small boxes in which you must write the number of each question you answer.
