National Archives and Records Service, 1984 *Book Auction Records* Frank Karslake, 1912 A priced and annotated annual record of international book auctions *Companies, Commerce and Merchants* Sushil Chaudhury, 2016-09-13 This anthology vastly expands our understanding of the much misconstrued history of early modern Bengal and seeks to redress the misconception that economic decline in Bengal set in even before the British conquest of the region Based on original sources from European and Indian archives and libraries the essays underline that Bengal had a prosperous economy in the mid eighteenth century and was suffering from neither economic nor political crisis Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Guerrilla Warfare in Civil War Missouri, Volume IV, September 1864-June 1865* Bruce Nichols, 2014-04-04 This book is a thorough study of all known guerrilla operations in Civil War Missouri between September 1864 and June 1865 It explores different tactics each side attempted to gain advantage over each other with regional differences as influenced by the personalities of local commanders The author utilizes both well known and obscure sources including military and government records private accounts county and other local histories period and later newspapers and secondary sources published after the war to identify which Southern partisan leaders and groups operated in which areas of Missouri and how their kinds of warfare evolved This work presents the actions of Southern guerrilla forces and Confederate behind Union lines recruiters chronologically by region so that readers may see the relationship of seemingly isolated events to other events The book also studies the counteractions of an array of different types of Union troops fighting guerrillas in Missouri to show how differences in training leadership and experience affected actions in the field *Wisconsin Library Bulletin*, 1914 **Federal Court Records** United States.
